- An annual report of everything done in 2019 will be given in January or February.

Commissioner Carmona asked if there is a need for a doctor (at Community Chest).

Mr. Schoen: "Tele-health" calls are with a doctor. It would be great to have a doctor up here, recruiting someone when there is already a shortage, would be difficult. The APN is here on Wednesdays.

**Water/Sewer Project Manager Mike Nevin:**

- Publication (per NRS) was done stating additional proposals for the Gold Hill Wastewater project could be accepted. One was received, making three proposals to consider.

- A meeting will be held tomorrow to review all proposals to come up with a recommendation.

- Christmas on the Comstock parade was held Saturday – it was a great event. The parade was well attended by both entrants and visitors despite the cold. Hot chili was available and the Grinch and Santa Claus were both in town.
- The County Christmas Party was held Friday at St. Mary's Art Center. The staff did a great job opening up the Art Center – a lot of people had never been there. It was a great experience and well-attended. It was nice having the party at Pipers, but it is good to move it around. Maybe look at the Fourth Ward School or other historical places in the future. Thanks to everyone who participated and those attending.

#### **7. DISCUSSION/POSSIBLE ACTION: Approval of Resolution 19-563 Honoring Cherie Nevin.**

Mr. Osborne reminded that Ms. Nevin was present at the last meeting where a lot of people participated and spoke about her. Cherie is present today via Facetime.

Chairman McBride read the resolution into the record:

Resolution No. 19-563

Whereas, Cherie Nevin has faithfully served Storey County for twenty years from 2000 to 2019; and

Whereas, Cherie Nevin is dedicated to her job and the citizens of Storey County; and

Whereas, Cherie Nevin has served with distinction, earning the respect of all she works with both locally and statewide; and

Whereas, Cherie Nevin's professional skills in several capacities have served to make Storey County a better place to live, work and play;

Therefore it be known to all present that the Board of County Commissioners of Storey County do hereby resolve to commend and honor Cherie Nevin to commend and honor Cherie Nevin for exemplary service to the people of Storey County, Nevada, this 17<sup>th</sup> day of December 2019.

Virginia Nevin accepted the plaque on behalf of Ms. Nevin.

Public Comment: None

**Motion:** I, Jay Carmona, move to approve Resolution 19-563 Honoring Cherie Nevin, **Action:** Approve, **Moved by:** Commissioner Carmona, **Seconded by:** Chairman McBride, **Vote:** Motion carried by unanimous vote, **(Summary: Yes=2)**

#### **8. DISCUSSION/POSSIBLE ACTION: Consideration and possible approval of agreement tolling possible statutes of limitation with Bankruptcy trustee Angelique Clark regarding the Cetus Mortgage case.**

Deputy District Attorney Keith Loomis explained this agreement tolls any statutes of limitation issues in this matter in order to continue settlement discussions. Both the Bankruptcy Trustee attorney and the County's attorney agree there really isn't a statute of limitations on a violation of the automatic stay rule. This will provide time to try to resolve the case without filing suit.

Public Comment: None

**Motion:** I, Jay Carmona, move to approve the tolling agreement with Angelique Clark regarding the Cetus Mortgage bankruptcy case, **Action:** Approve, **Moved by:** Commissioner Carmona, **Seconded by:** Chairman McBride, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=2)

**9. DISCUSSION/POSSIBLE ACTION:** Approval of Bill No. 114, the second reading of Ordinance No. 19-303, an ordinance amending Storey County Code chapter 15.04 Building and Construction, to adopt amendments to the 2018 International Wildland Urban Interface Code, amending chapter 15.08.060 Appeal from decisions, and providing for other properly related matters.

Mr. Loomis: This is the second reading of this Ordinance. As explained at the first reading, when the Ordinance was initially approved, two pages were left out of the Ordinance. This corrects that oversight.

Public Comment: None

**Motion:** I, Jay Carmona, move to approve the second reading Bill No. 114, Ordinance No. 19-303, **Action:** Approve, **Moved by:** Commissioner Carmona, **Seconded by:** Chairman McBride, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=2)

**10. DISCUSSION/POSSIBLE ACTION:** Consideration and possible approval of amendment to Interlocal agreement with NDOT for signal maintenance services.

Mr. Loomis: The original Interlocal Agreement did not provide for compensation to the County for repairs to signals, etc. This action changes that Agreement so that NDOT can make those payments to the County, if needed.

Public Comment: None

**Motion:** I, Jay Carmona, move to approve the amendment to Interlocal agreement with NDOT for signal maintenance services, **Action:** Approve, **Moved by:** Commissioner Carmona, **Seconded by:** Chairman McBride, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=2)

**11. DISCUSSION/POSSIBLE ACTION:** Approval of Resolution No. 19-562 requesting the assistance of the State of Nevada Attorney General in the prosecution of a criminal matter.

Mr. Loomis: Due to a conflict of interest in the District Attorney's Office where witnesses are related to County employees, it is requested the Board of County Commissioners join in the request to the Attorney General's office to handle the case.

Chairman McBride: This is common practice.

Public Comment: None

**Motion:** I, Jay Carmona, move to approve Resolution No. 19-562 requesting the assistance of the State of Nevada Attorney General in the prosecution of a criminal matter, **Action:** Approve, **Moved by:** Commissioner Carmona, **Seconded by:** Chairman McBride, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=2)

**12. DISCUSSION/POSSIBLE ACTION:** Consideration and possible approval of Certified Local Government Agreement between Storey County and State Historic Preservation Officer (SHPO).

Mr. Loomis: This is a revised Agreement of one adopted in the 1990's. The Federal government provides funds to States to engage in historical preservation efforts. The State can send funds to counties, towns, and cities if they are certified local governments, meeting certain requirements.

This item is part of the process to being a certified local government in order to receive funds from the State. Adoption of an ordinance will be required after this approval.

Mr. Osborne explained (the County) is unique in that it has the Comstock Historic District that manages a lot of the elements of historic preservation and requirements in this area. We are in communication with CHD to address matters as they apply to this item.

Public Comment:

**Motion:** I, Jay Carmona, move to approve the Agreement between SHPO and County regarding the Certified Local Government program, and authorize the Chairman to sign, **Action:** Approve, **Moved by:** Commissioner Carmona, **Seconded by:** Chairman McBride, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=2)

**13. DISCUSSION/POSSIBLE ACTION:** Approval of a donation of five (5) Panasonic Tough Book Computers. Panasonic is to donate these computers to Storey County Fire Department and Storey County Community Development for the purpose of field testing.

Fire Marshal, Martin Azevedo, commented that tablets currently used by the Fire Department and Community Development break easily. He has used Panasonic Tough Books in the past - they are great machines. Mr. Azevedo was advised by Panasonic that there is a program where they donate Tough Books to fire and police departments on trial basis forever. If approved, four of the five Tough Books will go to the Fire Department and one to Community Development. These are great tools. IT Director James Deane said there is no issue in programming these computers.

Chairman McBride asked if in the future, when the tablets currently in use have failures - will they be replaced with Tough Books.

Mr. Azevedo: Yes. After testing the five and seeing how they work for the County, possibly obtaining 18 to 20 more so there is a Tough Book in every engine and rescue. As well as for Battalion Chiefs and inspectors. They are pricey - but Panasonic has a purchase program giving breaks to local governments and fire departments. Refurbished ones are also available. The Tough Book we are looking at is about \$4,000.

Public Comment: None

Mr. Osborne: The County's IT team has said they will go through these Tough Books to insure confidentiality and security.

**Motion:** In accordance to the recommendation by staff, Jay Carmona, motion to approve five Panasonic Tough Book computers to be tested by the Storey County Fire Department and the Fire Marshal, the computers will be used for field operations, investigations, and inspections, **Action:** Approve, **Moved by:** Commissioner Carmona, **Seconded by:** Chairman McBride, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=2)

**14. DISCUSSION/POSSIBLE ACTION:** Approval of business license second readings:

- A. Demar Specialties LLC - Contractor / 2423 Finchwood Landing Ln. ~ Manteca, CA
- B. Genesis Ironworks, LLC- Contractor / 6505 Reno Hwy ~ Fallon, NV
- C. MTU America Inc. - General / 39525 Mackenzie Dr. ~ Novi, MI
- D. Primary Integration Solutions, Inc. - General / 8180 Greensboro Dr. #700 ~ McLean, VA
- E. Virginia City Tours (DBA) - Transportation / 27 N. C St. ~ Virginia City, NV

Public Comment:  
None

On behalf of Community Development, Mr. Osborne recommends approval of Item A through E.

**Motion:** I, Jay Carmona, move to approve Business Licenses, Second Reading, Items A through E, **Action:** Approve, **Moved by:** Commissioner Carmona, **Seconded by:** Chairman McBride, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=2)

**15. PUBLIC COMMENT:**

**Louise Pena, Lockwood Resident:** As a resident, she and her husband, thank the County for all of the improvements and plans for improvements. She talked about the new group from LCC and Rainbow Bend - people who are willing to work together as a community. Louise commented that attitudes are changing about getting a new senior center as well as other things. Neighbors are what a senior/community center is about. The senior lunch program, the food pantry - as good as they are, they could be better. More people are supporting County decisions and the growth in Lockwood.

**16. ADJOURNMENT OF ALL ACTIVE AND RECESSED BOARDS ON THE AGENDA**

The meeting was adjourned by the Chair at 9:52 AM

#### **10. DISCUSSION ONLY (No Action – No Public Comment): Committee/Staff Reports**

##### **Operations/Project Coordinator Mike Northan:**

- Bids came in higher than expected on the Divide Building. We are working with the low bidder, Simerson Construction – progress is being made.
- A preliminary design for the Black & Howell building has been received from Dube' Group Architecture. The design will be reviewed with Mr. Dotson.
- Work on the water damage at the Visitor's Center is wrapping up. The exterior wall will be sealed to prevent water damage in the future.
- A site plan has been developed for the Virginia City Highlands Community Center. An estimate will be put together for presentation to the Board.

##### **Senior Center Director Stacey York:**

- Free radon test kits are available to residents at the Lockwood and Virginia City Community Centers. Kits can be picked up Monday thru Friday, 9AM to 3PM. A presentation will be given at the Senior Center in February.
- Virginia City Senior Center is having a Valentine's Day fundraiser, selling one dozen roses for \$30. The roses will be available for pick up on Valentine's Day morning.
- Over 56 seniors were served by the Senior Center transportation program in 2019, with a total of 15,000 rides equaling 21,508 miles.

##### **Senior Planner Kathy Canfield:**

- The Regional Transportation Committee meeting will be held at 9 AM, January 21<sup>st</sup>, before the next Commission meeting. Updates relating to Storey County will be discussed.
- Virginia City is on the cover of the Nevada Planner – the Nevada chapter of the American Planning Association magazine. An article regarding the Dayton Valley area drainage master plan is in the magazine. This is an on-line magazine.
- The Planning Department is now in its new offices.

##### **Comptroller Hugh Gallagher:**

- The June 2019 financial statements will be ready by the next Commission meeting. Extra time was needed due to a 3<sup>rd</sup> party evaluation on retiree benefits, and also late attorney letters that need to be sent out calling for "subsequent event"- meaning is there anything out there after June 30, 2019 that could possibly be a liability.

- Budgets are starting early. Due date for the tentative budget – April 15<sup>th</sup>; final budget is June 1<sup>st</sup>.

#### **County Manager Austin Osborne:**

- Strategic Plan update:
  1. January 21<sup>st</sup> BOC meeting – Board makes final decisions for the mission and vision statements. Between now and the 21<sup>st</sup>, draft statements will be posted on the website under a County Manager’s portal. Comments can be made and there is a survey for recommendations.
  2. Community-wide workshops will begin after the 21<sup>st</sup> for building goals and objectives.
- The Capital Improvement Plan is in its next stage. Department heads have submitted comments. We’re going back and forth on the drafts of the Plan.
- Thank you to the Department heads for their comments.
- Working closely with the Comptroller’s Office on how the CIP will be integrated into the budget procedures. This document will be the “guiding force” for infrastructure projects and heavy equipment, etc., types of purchases.
- Collective bargaining has been initiated with the Sheriff’s Office with actual bargaining beginning in February.
- Town Hall meeting is set January 23<sup>rd</sup>, 5:30 PM at Lockwood Senior Center immediately following the Lockwood Advisory Board meeting. This is a non-agenda meeting to hear what attendees think and what ways the County can serve (the community). The Strategic Plan and Capital Improvement Plan will be discussed.
- Information on the Waste Management franchise agreement is available through a web portal on the County website under County Manager. Periodic updates will be posted.

#### **11. BOARD COMMENT (No Action – No Public Comment):**

##### **Vice Chairman Jay Carmona:**

- Longtime resident Erlene Flanagan and business owner Lisa Hess recently passed away.

##### **Chairman Marshall McBride:**

- There was good weather during the holiday season and Virginia City enjoyed visitors from all over the world. There were a lot of people in town for New Year’s Eve. Pipers Opera House had a sold-out “Roaring 20’s” party.
- It is with great sadness we mention the passing of longtime resident, Erlene Flanagan. She was the proprietor of Edith Palmer’s Bed & Breakfast County Inn for several years. Ms. Flanagan was appointed by the Governor to complete her husband’s term as County Commissioner after his death. Ms. Flanagan was the fiancé of former County Manager Pat Whitten.

**12. DISCUSSION/POSSIBLE ACTION:** Approval of Resolution 15-561 honoring Charles and Candace Pitts with the Sugarloaf Mountain Motel and Market as the 2019 Storey County Business of the Year. (Note: Correct Resolution number is 19-561)

Deny Dotson announced that Charles and Candace Pitts, owners of the Sugarloaf Mountain Motel and Market, have been selected as 2019 Storey County Business of the Year. Mr. Dotson reviewed the criteria used by the selection committee.

Mr. Dotson read the Resolution:

Resolution No. 19-561, a Resolution honoring Charles and Candace Pitts with Sugarloaf Mountain Motel and Market as the Storey County Business of the Year

Whereas, this award will be given to a Storey County Business or Organization that has shown significant contributions towards the economic stability in Storey County Whereas Charles and Candace Pitts with the Sugarloaf Mountain Motel and Market have shown extraordinary entrepreneurship, have improved a needed service in Virginia City and have shown strong community relations and contributions towards many of Virginia City's nonprofits.

Therefore, let it be known to all present that the Board of County Commissioners of Storey County do hereby resolve to commend and honor Charles and Candace Pitts with the Sugarloaf Mountain Motel and Market for their continued and exemplary service to the people of Storey County.

Public Comment: None

**Motion:** I move to approve this (Resolution), **Action:** Approve, **Moved by:** Commissioner Gilman **Seconded by:** Vice Chairman Carmona, **Vote:** Motion carried by unanimous vote, (**Summary:** Yes=3)

**13. DISCUSSION/POSSIBLE ACTION:** Extension of general services agreement for lobbyist services and other federal legislative assistance of the Porter Group from December 31, 2019 and August 1, 2020.

Mr. Osborne explained Congressman Jon Porter and his team have helped the County with various Federal matters over the years. Mr. Osborne is requesting an extension of the existing contract until summer - allowing Porter Group to work with the County on several items including representing a unified group, consisting of other counties and groups from this entire region, in Washington DC. The members of this group will be working with the Porter Group to meet with our Senators and Congressman as a unified group with several goals. Focus will likely be on matters of regional importance such as transportation. The Porter Group will be instrumental in helping the County collaborate with others in the region.

Also, the extension is requested as Porter Group is still working with (the County) and collaborating with BLM on getting the Lands Bill transfers done effectively.

Porter Group is also involved in:

- Proposal to create an additional Zip Code bill for the Highlands, Lockwood, and Mark Twain. Benefiting those residents by having a Storey County zip code rather than a Washoe County or Dayton zip code.
- The Public Lands Bill, although not in Storey County, it affects TRI and I-80 transportation routes.

- Federal Grants and EDA monies that may be available to help the County – especially for things such as IT infrastructure, communications, transportation, and other issues affecting the County.

After the six month extension, the Commission can again consider the necessity of continuing the contract or to take a different approach.

Commissioner Gilman said there is no better representation than the Porter Group.

Public Comment:

**Chris Porter:** Thanked the Commission for the extended opportunity of working on behalf of (the County).

**Motion:** Based on the recommendation of staff, I, Commissioner Carmona, motion to approve extension of the General Services Agreement for lobbyist services and other federal legislative assistance of the Porter Group from December 31, 2019 to August 1, 2020, **Action:** Approve, **Moved by:** Vice Chairman Carmona, **Seconded by:** Commissioner Gilman, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

**14. DISCUSSION/POSSIBLE ACTION:** Consideration of letters of interest for appointment of planning commissioners to serve a term representing Precinct 4 Mark Twain District, Precinct Lockwood/ River District, and Storey County At-Large position on the Storey County Planning Commission.

Mr. Osborne explained there are three vacant Planning Commission positions. The positions have been posted as required. Applications were received for all positions.

For Mark Twain District, applications received from Adrienne Baugh – current Planning Commissioner; and Kris Thompson, current Planning Commissioner for Lockwood. The current At-Large Commissioner, John Herrington, was unable to reapply for personal reasons. Mr. Herrington did a great job on the Commission and would be reconsidered if he applied.

Applications for the At-Large Commissioner have been received from Brian Staples, Karl Gambrel, Sam Toll, and Tom Purkey.

Recommendations at this time: Adrienne Baugh for Mark Twain and Kris Thompson for River/Lockwood. Due to the number of applicants for the At-Large position, it is recommended that a personal interview be conducted with each applicant. If ready, recommendation for the position would be made at the January 21<sup>st</sup> or February 7<sup>th</sup> meeting.

Public Comment: None

**Motion:** In accordance with the recommendation by staff, I, Jay Carmona, motion to reappoint Adrienne Baugh to represent Precinct 4, Mark Twain District, and Kris Thompson to represent Precinct 3, Lockwood/River District, **Action:** Approve, **Moved by:** Vice Chairman Carmona, **Seconded by:** Commissioner Gilman, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

**15. DISCUSSION/POSSIBLE ACTION:** Consideration and possible approval of contract with

Motorola Solutions, Inc. for the sale and installation of equipment and software upgrades to the Storey County communication system and for maintenance and support of the upgraded system for a price of \$1,795,708.00. That price may change by the time this matter is considered by the Board.

Deputy District Attorney Keith Loomis noted that the price has changed, reduced to \$1,766,000. The contract was reviewed by the District Attorney's Office, and changes requested have been made. This included adding the Fire District as a party to the contract and addressing public request issues.

Communications Director Dave Ballard said this project has been worked on for years. Several systems were looked at as well as the current VHF system that has been used for years. Systems built for metropolitan areas do not fit the County's needs. The VHF system is already built and will be updated. A tower will be added to USA Parkway for coverage there. The current system covers about 85% of the County; the new system will be close to 99% coverage. The purchase is not just infrastructure, but a turn-key system.

Mr. Ballard reviewed the system's radios and their capabilities. The contract provides 8 year user maintenance, including regular software updates. The current system was purchased in 2002 and can no longer be upgraded.

Vice Chairman Carmona thanked Mr. Ballard and Motorola for their efforts with this purchase.

Chairman McBride understands this system will replace every piece of communication equipment in the County, including the dispatch center.

Mr. Ballard: It will all be done. Sierra Electronics will do everything – the builds, the cars, all of the installation as part of the package. Repairs to the “big stuff” will be covered – including equipment on mountaintops.

Mr. Osborne thanked the IT Department, Motorola, and Mr. Ballard, among others, for the hard work put into this over the last 10 years. This is an 8 –year program, but the equipment can be used beyond. A big part of the contract is that (the County) owns the equipment- not relying on Washoe, Reno, and Sparks to own the equipment and call the shots during issues. This equipment communicates with the State and is compliant with State requirements. When looking at the new maps, everything is covered (including areas not currently covered) – except for a couple of “islands”. There may even be a way to relay signals down into canyons – saying the County is 100% covered in one way or another. This system will reduce the number of towers required to operate as opposed to another system. A lot of the existing microwave equipment can be re-used – a huge savings. It is great to work with Sierra Electronics who will be available at “2 in the morning” to help with a critical matter. This (contract) is for everything – 911, Sheriff, Fire District, Emergency Management, building inspectors, Assessor's Office, snow-plows, and more. Radios will be available for Public Information Officer duties.

Mr. Ballard added that the new radio system will not require switching channels to talk – just push a button. Looking at late summer/early fall for completion of the build-out. Maybe sooner depending on weather.

Mr. Osborne pointed out there is an addendum to the contract which was not in the packet - it has been passed out to the Commission. Public copies have also been provided.

Public Comment: None

**Motion:** I, Jay Carmona, move to approve the Agreement with Motorola Solutions, Inc. for the provision and installation of equipment and software to upgrade the Storey County communications system, and for the maintenance and support of the up-graded system **Action:** Approve, **Moved by:** Vice Chairman Carmona, **Seconded by:** Commissioner Gilman, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

That price may change by the time this matter is considered by the Board.

## Storey County Board of County Commissioners Agenda Action Report

Meeting date: ~~January 21, 2020~~ Feb. 4, 2020

Estimate of time required: 15 minutes

1. **Title: FOR POSSIBLE ACTION:** Consideration and possible approval of Resolution 20 - 564 authorizing refund of excess funds paid for community development permits in the amount of \$71,266.97.

- 2.
3. **Recommended motion:** I \_\_\_\_\_ (Commissioner) move to approve Resolution 20-564 to authorize the County Manager or his designee to arrange for the refund of amounts overpaid to Community Development for building and planning permit fees by persons or entities paying fees for permits

3. **Prepared by:** Keith Loomis

4. **Department:** District Attorney's Office

**Telephone:** 847-0964

4. **Staff summary:** NRS 354.220 authorizes the Board of County Commissioners to refund monies paid into the county treasury if there is just cause for the application and a refund would be equitable. In this case application for the refund is made by County staff on behalf of numerous persons and entities. The reason for the application is that fees for building and planning permits were last set in accordance with Resolution 04-197 continuing the adoption of the 1997 Uniform Building Code Fees. Beginning in 2017 the fees charged for obtaining some building and planning permits was increased by 10%. This increase is not contained in a Resolution adopted by the Board of County Commissioners and constitutes an overcharge. An Agreed Upon Procedures review of community development fees was conducted by Joseph Costanza CPA of the accounting firm of DiPietro & Thornton. That review determined that the amount of the overcharge for planning and building fees was \$71,266.97.

6. **Supporting materials:** Report of DiPietro and Thornton review of planning and building permit fees.

## **RESOLUTION NO. 20-564**

### **RESOLUTION      Authorizing Refund of Overpaid Building and Planning Permit Fees.**

**WHEREAS**, NRS 354.220(4) provides for the refund of monies paid into the County Treasury where in the opinion of the Board of County Commissioners the applicant for a refund has just cause for requesting a refund and granting the refund would be equitable; and,

**WHEREAS**, the Storey County Department of Community Development erroneously increased certain permit fees by ten percent (10%) in 2017, and,

**WHEREAS**; an agreed upon procedures review by the accounting firm of DiPietro & Thornton established that the overpaid amount of unabated permit fees equals \$71,266.97; and,

**WHEREAS**, application for refund of the overpaid amounts is made on behalf of the persons or entities overcharged, by County staff.

### **NOW THEREFORE IS IT HEREBY RESOLVED AS FOLLOWS:**

The Board of County Commissioners of Storey County finds that there is just cause for the making of an application for a refund of the overpaid permit fees and that a refund of the overpaid amounts is equitable. The County Manager or his designee is hereby authorized to provide for the refund of the overpaid fees to the persons or entities so entitled.

To the District Attorney  
Storey County, Nevada

We were engaged to verify the amounts charged for building permits issued by Storey County from July 2017 to March 2019. To fulfill the requirements of our engagement we performed the procedures enumerated below, which were agreed to by the District Attorney of Storey County. Storey County is responsible for its building permit billings from July 2017 to March 2019. The sufficiency of the procedures we performed are solely the responsibility of the Storey County. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The procedures and the associated findings are as follows:

- a. We recalculated the building and planning permit fees billed by Storey County from July 2017 to March 2019 using rates from the 1997 Uniform Building Code, Section 107 fees.

**We found that fees were raised by ten percent on 316 of the 486 building permits issued from July 2017 to March 2019.**

- b. We calculated the total amount of building and planning permit fees overcharged between July 2017 and March 2019 that were collected by the County.

**We found that the County had collected overcharged building and planning permit fees of \$71,266.97 during this time period. Detail can be found on exhibit 1.**

- c. We calculated the total amount of building and planning permit fees overcharged between July 2017 and March 2019 that were abated by the County.

**We found that the County had abated overcharged building and planning permit fees of \$326,257.68 during this time period. Detail can be found on exhibit 2.**

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or a review, the objective of which would be the expression of an opinion or conclusion, respectively, on the billing of building and planning permit fees by Storey County from July 2017 to March 2019. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of Storey County, and is not intended to be and should not be used by anyone other than the specified parties.

1. DESCRIPTION OF SERVICES. Beginning on February 04, 2020, the Contractor will provide the following services (collectively, the "Services"):

As described in Attachment A.

2. PAYMENT FOR SERVICES. The Recipient will pay compensation to the Contractor for the Services. Payments will be made as follows:

No other fees and/or expenses will be paid to the Contractor, unless such fees and/or expenses have been approved in advance by the appropriate executive on behalf of the Recipient in writing. The Contractor shall be solely responsible for any and all taxes, Social Security contributions or payments, disability insurance, unemployment taxes, and other payroll type taxes applicable to such compensation. Contractor understands that an IRS Form 1099 will be filed by Recipient for all payments Recipient makes to Contractor.

3. TERM/TERMINATION. Termination of this agreement will occur as follows:

This agreement will terminate after eighteen months unless terminated sooner by either party.

A regular, ongoing relationship of indefinite term is not contemplated. The Recipient has no right to require that Contractor perform services other than as specifically contemplated by this Agreement. However, the parties may mutually agree that the Contractor shall perform other services for the Recipient, pursuant to the terms of this Agreement.

The Recipient or the Contractor may terminate the contract at anytime by providing 10 working days' written notice for any reason or even for no reason at all. In addition, if the Contractor is convicted of any crime or offense, is guilty of serious misconduct in connection with the performance hereunder or materially breaches this contract, the Recipient may terminate the engagement of the Contractor immediately and without prior notice.

4. RELATIONSHIP OF PARTIES. It is understood by the parties that the Contractor is an independent contractor with respect to the Recipient, and not an employee of the Recipient. The Recipient will not provide fringe benefits, including health insurance benefits, paid vacation, or any other employee benefit, for the benefit of the Contractor.

It is contemplated that the relationship between the Contractor and the Recipient shall be a non-exclusive one. The Contractor also performs services for other organizations and/or individuals. 6. EXPENSES PAID BY CONTRACTOR. The Contractor's business and travel expenses are to be paid by the Contractor and not by the Recipient.

7. CONFIDENTIALITY. Contractor may have access to proprietary, private and/or otherwise confidential information ("Confidential Information") of the Recipient. Confidential Information shall mean all non-public information which constitutes, relates or refers to the operation of the business of the Recipient, including without limitation, financial, operational, personnel, managerial and statistical information of the Recipient. The nature of the information and the manner of disclosure are such that a reasonable person would understand it to be confidential. The Contractor will not at any time or in any manner, either directly or indirectly, use for the personal benefit of the Contractor, or divulge, disclose, or communicate in any manner any Confidential Information. The Contractor waives any rights to recovery from the Recipient for any injuries that the Contractor (and/or Contractor's employees) may sustain while performing services under this Agreement and that are a result of the negligence of the Contractor or the Contractor's employees.

9. INDEMNIFICATION. The Contractor agrees to indemnify and hold harmless the Recipient from all claims, losses, expenses, fees including attorney fees, costs, and judgments that may be asserted against the Recipient that result from the acts or omissions of the Contractor, the Contractor's employees, if any, and the Contractor's agents.

No modification of this Agreement shall be deemed effective unless in writing and signed by the parties hereto.

12. WAIVER OF BREACH. The waiver by the Recipient of a breach of any provision of this Agreement by Contractor shall not operate or be construed as a waiver of any subsequent breach by Contractor.

13. SEVERABILITY. If any provision of this Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Agreement is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

14. APPLICABLE LAW. This Agreement shall be governed by the laws of the State of Nevada.

15. Contractor expressly agrees that all documents ever submitted, filed, or deposited with the County by Contractor, unless designated as confidential by a specific statute of the State of Nevada, shall be treated as public records pursuant to NRS Ch. 239 and shall be available for inspection and copying by any person, as defined in NRS § 0.039, or any governmental entity.

16. The provisions of Sections 9, as well as any other provision of this Agreement that contemplates performance or observance subsequent to termination or expiration of this Agreement will survive expiration or termination of this Agreement and continue in full force and effect for a period of 2 years.

17. COUNTERPARTS This Agreement may be executed in multiple counterparts, and shall have the same legal force and effect as if the Parties had executed it as a single document. Agenda Item No. 11

STOREY COUNTY PUBLIC NOTICE  
**PLANNING COMMISSIONER VACANCY**

**Precinct (At Large)**

**Position:** Storey County Planning Commissioner to represent Precinct (At Large). All interested parties must live within this voting district. The Planning Commission is an advisory body to the Board of County Commissioners. It is responsible for directing the short and long-range growth and development of the county through maintenance and implementation of the county master plan, zoning ordinances, and other applicable land-use policies. It is composed of seven commissioners who serve two or more times per month on the body and who are compensated pursuant to NRS 278.040. Each commissioner is appointed by the Board of County Commissioners to serve at its pleasure for a four year term with possible re-appointment following expiration of the term.

**Preferred Qualifications:** A Planning Commissioner's primary duty is to make land-use decisions that are consistent with the policies and plans formally adopted by the Board of County Commissioners. Therefore, the first priority of a Planning Commissioner is to have strong decision-making skills and develop knowledge of county policies and applicable Nevada Revised Statutes. It is not critical to have training in the fields of planning, architecture, law, civil engineering, geology, economics, or demography; these are skills that are available to the commissioner from staff, consultants, and applicants. The Planning Commissioner's job is to weigh input given in staff reports and other professional reports, meeting testimonies, and other correspondence. A Planning Commissioner is like a judge who renders decisions based on the testimony of experts and others who appear as witnesses in a trial. Minimum qualifications of a Planning Commissioner include: a willingness and ability to research and report on issues, programs, and policies related to local land-use matters; ability to attend afternoon and night meetings on a regular basis; ability to sustain harmonious working relationships with commission members, the Board of County Commissioners, staff, residents, applicants, and the public; ability to act within the ethical standards set forth by NRS and NAC; and willingness to expand knowledge related to land-use planning. The new-appointee must successfully pass a criminal background investigation.

**Letter of Interest:** All interested parties must submit a letter of interest showing qualifications and reason for applying for the appointment. An official job application is not necessary.

**Closing Date:** Letters of interest (originals) must be received by the Storey County Human Resources Office, Storey County Courthouse, 26 South "B" Street (P.O. Box 176), Virginia City, NV 89440 by **5:00 p.m., Friday December 27, 2019.** Please contact 775.847.0968 for further questions.

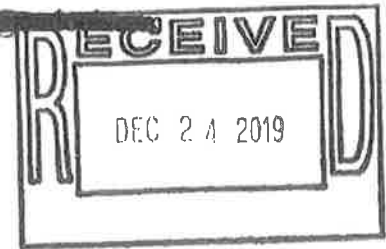

**Tentative Appointment Date:** The Board of County Commissioners will consider letters of interest at its **January 7, 2019**, regularly scheduled meeting. Applicants may be asked to speak and should attend. *Storey County is an Equal Opportunity Employer. Posting dates: 12/9/19 – 12/27/19*

I would like to be considered for the Storey County Planning Commissioner (At Large) position.

The reason I am applying for this position is that I have been a resident and property owner in Storey County for about 30 years, having lived previously in the Highlands and now in Virginia City. I served on the Planning Commission and School Board several years ago, which gave me a good knowledge and understanding of all the diverse communities in our county. I was involved in developing the Storey County Master Plan and have a strong interest in seeing it honored and defended as the county moves forward toward the opportunities and challenges ahead.

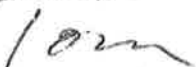

I moved to and have continued to live in Storey County because of my love for its rural life style, sense of community, respect for history, and unique geological setting. Those are community qualities that have been incorporated into the Master Plan and which I hold dear. Our amazing new economic opportunities can either diminish or enhance these qualities and my aim is to help ensure the Master Plan continues to be used to enhance them. That would weigh most heavily into my decisions and judgement on all proposals that come before the Planning Commission.

I am particularly interested in helping promote a strong cooperation and working relationship between the Planning Commission, Board of County Commissioners, Comstock Historic District Commission, VC Tourism Commission, residents, and county staff in moving the county forward towards common agreed upon goals and priorities.

Two years ago, I retired from my lifelong career as an urban, regional, and tribal planner and am now looking for an opportunity to serve Storey County in the capacity of a private citizen using my knowledge and background. I clearly understand and respect the distinct and separate roles of the Planning Commission, planning staff, and Board of County Commissioners in the planning process. Though a planning background is not critical for this role, I believe it would be helpful in understanding and in making informed decisions on planning issues. I am also a retired member of the American Institute of Certified Planners and, as such, continue to be bound by the professional AICP Code of Ethics.

Thank you for your consideration. I look forward to meeting personally with the Board of County Commissioners to answer any questions.

Sincerely,

  
Thomas Purkey, AICP

## STANDARD PROVISIONS OF AGREEMENT

### 1. AGREEMENT

These Standard Provisions of Agreement are deemed part of the attached Agreement. As used herein, the term "Agreement" will mean the attached Agreement, the Proposal attached thereto as Exhibit "A," these Standard Provisions of Agreement, and any other exhibits attached hereto and specifically incorporated herein. Consultant shall provide for the Client the scope of services described in the referenced Proposal, and all services not specifically described therein are excluded from Consultant's scope of services.

### 2. BILLING AND PAYMENT

Fees and other charges shall be billed monthly as the work progresses and shall be due and payable at the time of billing. Ten (10) days are allowed for processing payment, and any unpaid balance remaining twenty (20) days after the date of the original invoice shall be considered past due. Any unpaid balance remaining thirty (30) days after the date of the original invoice shall be considered Critically Past Due. Consultant reserves the right to suspend services on accounts with outstanding balances that are Critically Past Due. Consultant shall have no liability whatsoever to the Client for any costs or damages as a result of such suspension. Upon payment in full by the Client, Consultant shall resume services under this Agreement, and the time schedule and compensation shall be equitably adjusted to compensate for the period of suspension. In the event Client fails to pay Consultant within forty-five (45) days or more after invoices are rendered, Client agrees that Consultant shall have the right in its sole discretion to consider said default a material breach of the Agreement and the duties of Consultant under this Agreement terminated, without requiring the seven (7) days written advance notice otherwise required for termination pursuant to Section hereof.

Any payment not received within thirty (30) days of date of the original invoice shall accrue interest at the rate of eighteen percent (18%) per annum.

Client hereby agrees that the balance as stated on any invoice from Consultant to Client is correct and is acceptable to Client unless, within ten (10) days from the date of the original invoice, Client notifies Consultant in writing of the particular item that is alleged to be in error or is otherwise in dispute.

Client shall pay the costs for checking and inspection fees, zoning and annexation applications fees, assessment fees, soils engineering fees, soils testing fees, aerial topography fees, and all other fees, permits, bond premiums, title company charges, blueprints and reproductions, and all other charges not specifically covered by the terms of this Agreement.

For projects that extend for more than one (1) year from the date of the Agreement, Consultant shall be entitled to an increase in fees in proportion to the increase in the Consumer Price Index over the preceding year, for the duration of the Agreement.

### 3. TERMINATION

This Agreement may be terminated by either party upon seven (7) days advance written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party.

In the event all or any portion of the services performed or partially performed by Consultant be suspended, abandoned, or terminated, Client shall pay Consultant for all fees, charges and services provided up to the date of termination. In return, Consultant shall provide Client with copies of all drawings, specifications and reports prepared or partially prepared up to the date of termination, at Client's expense and for use solely with respect to the Project. Payment in full up to the date of termination shall be a condition precedent to Consultant's providing copies of all drawings, specifications and reports, regardless of the pendency of any dispute.

### 4. ADDITIONAL SERVICES

Client may request that Consultant provide services beyond those set forth in Consultant's Proposal ("Additional Services"). The scope of such Additional Services and the compensation therefore shall be as mutually agreed upon in writing by Client and Consultant prior to commencement of such Additional Services.

The Consultant shall comply with applicable laws, codes and regulations in effect as of the date it provides its services pursuant to the standard of care in the industry. Changes to Consultant's services made necessary by newly enacted laws, codes and regulations after such date shall entitle the Consultant to a reasonable adjustment in the schedule and additional compensation in accordance with this Additional Services provision. In addition, the Consultant shall be entitled to rely reasonably on interpretations and approvals given by government officials with responsibility for enforcing such laws, codes, and regulations and shall not be responsible for changes made by such officials to interpretations or approvals previously given.

5. STANDARD OF CARE

Consultant shall perform its services in a manner consistent with the level of care and skill ordinarily exercised by members of Consultant's profession currently practicing in the same locality under similar circumstances and with reasonable diligence and expediency consistent with sound professional practices ("Standard of Care"). Nothing contained herein shall be construed to constitute a guarantee, warranty or assurance, either express or implied of the services to be provided herein.

6. COST ESTIMATES

Consultant makes no representation concerning estimates of construction costs other than that these are estimates only and Consultant shall not be responsible for fluctuations in cost factors. Any such estimates prepared or agreed to by Consultant represent the Consultant's judgment as a design professional. It is recognized that neither the Consultant nor the Client has control over the cost of labor, materials or equipment; the contractor's methods of determining bid prices; or competitive bidding, market or negotiating conditions. Accordingly, the Consultant cannot and does not warrant or represent that bids or negotiated prices will not vary from the Client's budget or from any estimate of construction cost prepared or agreed to by the Consultant.

7. LIMITATIONS ON RESPONSIBILITIES

Consultant shall not be responsible for the acts or omissions of the Client, Client's other consultants, contractors, subcontractors, their agents or employees, or other persons providing work or services on the Project. Consultant does not guarantee the completion or quality of performance of work performed by the construction contractor(s) or other third parties. Site safety is the sole responsibility of the contractor. Consultant shall neither have control over nor be in charge of, nor be responsible for the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with work for the Project.

Unless retained to perform a geotechnical investigation, Consultant makes no representations concerning soil conditions and Consultant is not responsible for any liability that may arise out of the making or failure to make soils surveys, or subsurface soil tests, or general soil testing.

Unless specifically included in the Proposal's scope of services, Consultant is neither responsible for notifying Client of any expiration or renewal dates for permits and/or approvals of any type or description, nor for renewing or requesting a renewal from any agency, municipality, or authority of any permits and/or approvals that may be due to expire.

8. OWNERSHIP OF DOCUMENTS

Drawings, details, specifications, reports, and other documents prepared by Consultant, including those in electronic form, are instruments of service for use solely with respect to this Project. Consultant shall be deemed the author and owner of the Consultant's instruments of service and shall retain all common law, statutory and other reserved rights, including copyrights. Upon execution of this Agreement Consultant grants to Client a nonexclusive license to reproduce the Consultant's Instruments of Service solely for purposes of the Project, provided the Client shall comply with all obligations, including prompt payment of all sums when due, under this Agreement. Client shall not use the instruments of service for future additions or alterations to this Project or for other projects without Consultant's prior written consent. Any unauthorized use, reuse or modifications of the instruments of service shall be at the Client's sole risk and without liability to Consultant, and Client agrees to defend, indemnify and hold harmless Consultant from all claims and damages arising out of or purported to arise out of the use, reuse, or modification of the Instruments of Service.

9. INDEMNIFICATION

Client agrees, to the fullest extent permitted by law, to indemnify and hold harmless Consultant from and against any claims, damages, liabilities, suits, demands, losses, expenses or costs (including reasonable attorneys' fees and costs of defense) ("Claims"), to the extent caused by Client's negligent acts, errors, or omissions and those of its contractors, subcontractors or consultants or anyone for whom Client is legally liable, except for claims or litigation arising through the sole negligence or willful misconduct of Consultant..

Consultant agrees, to the fullest extent permitted by law, to indemnify and hold harmless Client from and against any claims, damages, liabilities, suits, demands, losses, expenses to the extent they are determined to have been caused by the negligent acts, errors or omissions of Consultant or anyone for whom Consultant is legally liable, to the extent consistent with the Limitation of Liability provision herein. Consultant shall not have an obligation to indemnify and hold harmless Client for claims or litigation arising through the sole negligence or willful misconduct of Client or anyone for whom Client is legally liable.

Neither party shall have an upfront duty to defend the other but shall reimburse reasonably incurred defense fees and costs (for fees and costs actually incurred in defending claims attributable to the other party's fault) to the extent of its indemnity obligation herein. Neither the Client nor the Consultant shall be obligated to indemnify the other party in any manner whatsoever for the other party's own negligence.

10. RIGHT OF ENTRY

Client shall secure the permission necessary to allow Consultant's personnel and equipment access to the project site and any adjacent properties necessary to perform the services at no cost to Consultant. While Consultant will take all reasonable precautions to minimize any damages to the property, it is understood by the Client that in the normal course of field work some damage may occur, the correction of which is not part of this Agreement.

11. SAMPLES

Samples obtained for materials testing will be discarded upon completion of testing, and portions of samples not tested or unused shall be preserved for not longer than thirty (30) days.

12. GOVERNING LAW; DISPUTES

This Agreement shall be governed by the laws of the state, in which the Project is located, and all dispute resolution proceedings shall be venued in the county and state in which the services are rendered unless the parties mutually agree otherwise in writing.

The parties agree to first endeavor in good faith to resolve any dispute arising out of or related to this Agreement by mediation pursuant to the Construction Industry Mediation Rules of the American Arbitration Association or JAMS. Mediation shall be a condition precedent to the instigation of any legal proceedings. If the claim or controversy is not resolved by mediation, the claim or controversy may be resolved by final and binding arbitration, if the parties so mutually agree in writing prior to the commencement of any arbitration proceeding. Absent express mutual consent to arbitrate, all disputes shall be litigated in a court of competent jurisdiction in the state in which the Project is located.

13. NO THIRD PARTY BENEFICIARIES

Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the Client or the Consultant.

14. WAIVER OF CONSEQUENTIAL DAMAGES

Notwithstanding any other provision in this Agreement, and to the fullest extent permitted by law, neither the Consultant nor the Client shall be liable to the other for, or shall make, any claim for any incidental, indirect or consequential damages arising out of or connected in any way to the Project or to this Agreement. This mutual waiver of consequential damages shall include, but is not limited to, loss of use, loss of profit, loss of business, loss of income, damage to reputation or any other consequential damages either party may have incurred from any cause of action including negligence, strict liability, breach of contract and breach of strict or implied warranty.

15. FORCE MAJEURE

Client and Consultant are aware that many factors outside the Consultant's control may affect the Consultant's ability to complete the services to be provided under this Agreement. Client agrees that Consultant is not responsible for damages arising directly or indirectly from any delays for causes beyond Consultant's control. For purposes of this Agreement, such causes include, but are not limited to, strikes or other labor disputes; severe weather disruptions or other natural disasters; fires, riots, war or other emergencies or acts of God; failure of any government agency to act in a timely manner; failure of performance by Client or Client's contractors or consultants; or discovery of any hazardous substances or differing site conditions.

16. SOLE CORPORATE REMEDY

It is intended by the parties to this Agreement that the Client's obligations and Consultant's services in connection with the Project shall not subject the Client's or Consultant's individual shareholders, officers, directors, members, managers or employees to any personal legal exposure for the risks associated with this Project. Therefore, and notwithstanding anything to the contrary contained herein, the parties agree that as their sole and exclusive remedy, any claim, demand or suit shall be directed and/or asserted only against the business entities that are the parties to this Agreement and not against any of the parties' individual shareholders, officers, directors, members, managers or employees, except for acts of willful misconduct or as otherwise prohibited by law.

17. HAZARDOUS MATERIALS

The Consultant shall have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials or toxic substances in any form at the Project site. In the event the Consultant or any other party encounters any

hazardous materials, or should it become known to the Consultant that such materials may be present on or about the jobsite or any adjacent areas that may affect the performance of the Consultant's services, the Consultant may, at its option and without liability for consequential or any other damages, suspend performance of its services under this Agreement until the Client retains appropriate consultants or contractors to identify and abate or remove the hazardous or toxic materials and warrants that the jobsite is in full compliance with all applicable laws and regulations. Consultant shall not be responsible for locating or abating any hazardous materials.

#### 18. LIMITATION OF LIABILITY

(Consultant)

In recognition of the relative risks and benefits of the Project to both the Client and the Consultant relating to Consultant's provision of services in accordance with this Agreement, the risks have been allocated such that the Client agrees that Consultant's total liability to Client for any and all injuries, claims, losses, expenses or damages whatsoever (including attorneys' fees and costs and expert witness fees and costs) arising out of or in any way related to the services provided for the Project and/or under this Agreement, regardless of theories of liability or causes of action asserted (unless otherwise prohibited by law) including, but not limited to, allegations of Consultant's negligence, errors, omissions, strict liability, breach of contract or breach of warranty, shall not exceed the total sum of \$50,000 or the total amount of fees paid to Consultant under this Agreement, whichever is less. In no event shall Consultant's liability exceed the sum of Consultant's available professional liability insurance coverage at the time of settlement or judgment. Client and Consultant hereby acknowledge that this provision was expressly negotiated and agreed upon.

(Client)

The County will not waive and intends to assert available NRS Chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Consultant agrees that Client's total liability to Consultant for any and all injuries, claims, losses, expenses or damages whatsoever (including attorney's fees and costs and expert witness fees and costs mediator or arbitrator fees or costs) arising out of or in any way related to the services provided for the Project and/or under this Agreement, regardless of theories of liability or causes of action asserted (unless otherwise prohibited by law) including, but not limited to, allegations of Client's negligence, errors, omission, strict liability, breach of contract or breach of warranty shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to Contractor, for the Fiscal Year budget in existence at the time of the claim.

#### 19. MISCELLANEOUS

(a) Client and Consultant each respectively bind themselves, their partners, successors, executors, administrators, and assigns to the Agreement.

(b) Client agrees to cooperate fully with Consultant on the Project and to provide any and all information and/or documents reasonably necessary for Consultant to perform the agreed scope of services as detailed in the Agreement, and Consultant shall be entitled to rely upon the accuracy and completeness thereof.

(c) Neither Client nor Consultant shall assign its interest in the Agreement without the prior express written consent of the other.

(d) It is expressly understood that Consultant is an independent contractor and in no event will the Consultant, its agents, employees, representatives, or servants, be considered as the agent, employee, representative or servant of Client. Nothing contained in this Agreement or any action by Consultant shall be construed to impose a fiduciary duty on Consultant or create a fiduciary relationship between Consultant and Client or between Consultant and any third party.

(e) If any provision of this Agreement is invalid or unenforceable, such provision shall (i) be modified to the minimum extent necessary to render it valid and enforceable, or (ii) if it cannot be so modified, be deemed not to be a part of this Agreement and shall not affect the validity or enforceability of the remaining provisions.

(f) Waiver of any provision of this Agreement by either party shall not be deemed to constitute a waiver of any other provision of this Agreement, nor shall such waiver constitute a continuing waiver.

(g) This Agreement, and the attachments hereto, shall constitute the entire understanding between the parties, and no modification shall be binding unless in writing and signed by the parties.

#### 20. RETAINER

Client agrees to deposit the sum of \_\_\_\_\_ \$ \_\_\_\_\_ as a retainer, receipt of which is a prerequisite for Consultant to perform services for Client. The retainer will be held by Consultant to secure payment of Consultant's invoices in Consultant's general accounts with all benefits accruing to Consultant. Consultant, at its sole discretion, may apply the retainer to any outstanding invoices which Client has failed to pay in the time frames set forth in this Agreement; however, nothing herein shall be interpreted to relieve Client from paying Consultant's invoices as set forth in this Agreement. If any portion of the retainer is applied to an outstanding invoice, Client shall, within five (5) days of Consultant's request, replenish the retainer account to the original amount listed herein. The retainer, or unused portion thereof, shall be refunded to Client within thirty (30) days after Consultant's services conclude or termination of this Agreement, whichever comes first, provided that there is no balance owed to Consultant. If a balance is owed to Consultant when services conclude or this Agreement is terminated, Client will be refunded the difference between the amount owed and the remaining retainer, if any. Nothing herein shall limit Consultant's rights to collect any remaining balance owed by Client once the retainer is depleted.

In witness whereof, the parties hereto have executed this Agreement as of the Effective Date.

***Subject: Development Review Services Proposal***

Dear Austin:

Lumos & Associates, Inc. is pleased to provide you with this proposal to assist Storey County with development review services on an as needed basis.

### **Project Understanding**

Per discussions with the County Manager, it is our understanding that Storey County desires to have engineering and related technical support (survey, etc) to assist the County with the review of development applications submitted to the County.

The following task is proposed to encompass the work necessary.

### **Project Scope**

#### **Task 1 – Development Review Services (On Call)**

Under this task, Lumos will perform the following as needed services for Storey County as it relates to development review assistance:

- Review of tentative map, parcel map, PUD, and other development related applications and associated technical reports for compliance with county development codes and engineering best practices.
- Review of improvement plans and technical reports for compliance with county development codes and engineering best practices.
- Review and provide recommendations for the approval of subdivision plats and parcel maps, to ensure that appropriate easements and/or rights-of-way were provided for drainage, roadway, and utility improvements.

- Review and signature for subdivision plats, parcel maps, division of large parcels, reversionary maps, and certificates of amendment, all in accordance with the provisions of Nevada Revised Statutes (NRS) and county code.
- Other miscellaneous engineering/surveying related review services as requested by the County

### **Assumptions / Exceptions**

Lumos has made the following assumptions in preparation of this proposal:

- All work is on a time and materials basis on an on call basis per the attached fee schedule.
- Time spent will be identified per respective review so that the County can pass through the review fees to the respective developer.

### **Fees**

The tasks described in the Scope of Work will be completed for the following fees:

Task	Description	Fee
Task 1	Development Review Services (On Call)	T&M not to Exceed \$100,000

Task 1 is time and materials not to exceed \$100,000 without prior board approval. Lumos will be happy to amend this proposal as necessary to include services not included or to amend the proposed services to better match the scope of services required.

If this proposal is acceptable, please sign the provided contract or provide your own contract for signature. Lumos will send monthly progress billings on this project. The amount of these billings will be based upon the percentage of work completed. The terms are 'Due Upon Receipt' and accounts are past due after 30 days. Accounts over 30 days old will be subject to interest at the rate of 1 ½% per month and such collection action as may be necessary to collect the account. In addition, a "Stop Work Order" may be issued on past due accounts. In this case, no further work will be performed until the account is brought current.

Thank you again for allowing Lumos to provide you with this proposal. Please do not hesitate to call me if you have questions or concerns as we would be happy to discuss them with you.

In addition to those statutory responsibilities, the chief shall ensure that the district runs as a modern and progressive all-risk/hazard response system through the utilization of a combination staffing pattern.

### DISTINGUISHING CHARACTERISTICS

This position is appointed by the fire board and reports to and serves at the pleasure of the fire board in an at-will capacity.
