

STOREY COUNTY BOARD OF COUNTY COMMISSIONERS MEETING

08/04/2020 10:00 A.M.

26 SOUTH B STREET, VIRGINIA CITY, NEVADA*

AGENDA

No members of the public will be allowed in the BOCC Chambers due to concerns for public safety resulting from the COVID-19 emergency and pursuant to the Governor of Nevada's Declaration of Emergency Directive 006 Section 1 which suspends the requirement in NRS 241.023(1)(b) that there be a physical location designated for meetings of public bodies where members of the public are permitted to attend and participate.

Further, due to the Governor's mandated steps to protect against the spread of COVID-19, the Storey County Board of County Commissioners are hosting a teleconference meeting this month. Members of the public who wish to attend the meeting remotely, may do so by accessing the following meeting on Zoom.com. Public comment may be made by communication through zoom.

7. PUBLIC COMMENT (No Action) None

8. DISCUSSION ONLY (No Action – No Public Comment): Committee/Staff Reports

Sheriff Antinoro

- July 4th weekend was one of the most successful, with fewer problems and still having a reasonable size crowd.

Erik Schoen, Community Chest Director:

- Summer programs are going well with 30 students enrolled. Early Childhood Education has about 14 students – the maximum with Covid restrictions.
- Working with the School District on plans for the fall and are participating on the planning committee. It is difficult because things are in flux.
- When a plan is developed, they will get the word to parents.

Jason Wierzbicki, Public Works Director:

- Work has been completed on the Waste Management turnaround in Lockwood.
- The rest of the Lockwood Senior Center parking lot is being paved today. The size has been increased as much as could be.

Martin Azevedo, Community Development Director/Fire Marshal:

- The monthly report should be on the website tomorrow.
- Three large projects are close to completion.

Joe Curtis, Emergency Management Director:

- As of last Monday, temperatures are being taken of employees entering the courthouse. There have been no excessive temperatures. Thermometers have been provided to other departments.
- Hand sanitizing stations provided on C Street have been successful with lots of compliments. The stations are being re-filled by business owners. Ten more stations have been ordered to be placed in various locations that have tourism contact.
- The total Covid cases for the Quad-County as of yesterday, is 391. Storey County has one active, with a total of two. New cases have been steady at about 6 per day.
- Most businesses in town are participating in “masking”. Only a few are “fudging” a bit. We will keep this message going out to the businesses so that Storey County provides a good impression, showing (the County) is protecting its own and the tourism base.
- Local businesses could have a “surprise” contact from OSHA. OSHA has been tasked with checking various businesses.
- Testing will be done tomorrow at the Lockwood Senior Center, 9AM to 11AM. Thanks to the Jeep Posse for providing volunteers to assist in community testing. Anyone can test, no appointment necessary.
- Testing may continue possibly for 2 to 2 ½ years.
- We are working with the School District on a re-opening plan. Under the CARES act the School District is being provided with all necessary personal protective equipment materials, including sanitizer and other products to keep the schools safe.

Fire Chief Jeff Nevin:

- The 4th of July was a quiet weekend. There were 5 incidents throughout the entire County on the 4th and no issues with amateur fireworks.

- The Fire department has been assisting local agencies and currently has resources on the fire in Douglas County.
- There were two small fires in TRI yesterday. They are keeping an eye on the area.
- Employees have been screened since March for Covid and employees are wearing face-coverings.
- The school re-opening committee has met two times so far. A plan has to be submitted to the State 20 days prior to re-opening. He expects a good plan will be put forth.

Jana Seddon, County Assessor:

- Tax Rolls have been closed.
- The Assessor's office is still accepting exemption vouchers as well as tax cap forms. Between 300-400 people have not returned tax caps forms, so those forms will be sent out again to insure everyone who had a tax cap before, or who deserves it, actually gets the tax cap.

Keith Loomis, Deputy District Attorney:

- A motion to set aside a tax sale has been received in the Cetus Mortgage bankruptcy case. The County is working with a tax attorney to handle this matter.

Austin Osborne, County Manager:

- On behalf of the County, as well as the VCTC, we will work with businesses and residents on the remainder of potential events for the season. This will provide a "heads up" warning on what to prepare for on where we're going with Covid 19. This has been a moving target with new information coming all the time.
- In June things were looking better and loosening up, then there was a turn in events.
- Town Halls were conducted at the beginning of the year so that people could discuss issues and concerns within the County. We are looking to resume these meetings with all of the communities and will be done via zoom. The intention is to give people a "heads up" on how we proceed with the season under Covid 19 restrictions. New information comes in all the time.
- Extra precautionary measures - deep cleaning, etc. - are being taken at the Courthouse, and other buildings, frequented by the public. This is a large project conducted by an independent contractor.
- Storey County has approximately \$700,000 in CARES funds to reimburse the County for Covid related expenses. There is also the potential to help the business community impacted by this event. Updates will be given regarding this item.

Mike Nevin, Water/Sewer Project Manager:

Update on the Gold Hill sewer project:

- Application has been submitted to NVEnergy for power at the location of the proposed facility project.
- The 90% plans for the facility are complete, and have been submitted to USDA, SRF, and NDEP for concurrence.
- The permit application to proceed with construction has been received from NDEP. We are waiting for the others.

Hillside Tank project:

- Bids were opened on July 25th (note: he meant to say June 25th). Four bids were received, ranging from \$2,485,127 (high) to \$2,128,149 (low). It was determined there would be a

shortage of approximately \$340,000. USDA has committed that they have additional funding available, so the County can apply for additional loan funds.

- A meeting was held with Cheryl Couch at USDA to see where (the County) stands on these projects. Good news from that meeting, USDA loan rate on existing loans (water and sewer) is going to drop – providing great savings. Over the term of the loans, the County will save over \$371,000 in interest. This will be on the July 21st agenda for approval and then the project will be awarded to the low bid.
- USDA received concurrence from the National Parks Service that the project has a finding of “no historic properties affected”. This has been forwarded to SHPO for review.

9. BOARD COMMENT (No Action – No Public Comment): None

10. DISCUSSION/POSSIBLE ACTION: Consideration and possible approval of Resolution 20-587 providing for the transfer of the County’s 2020 Private Activity Bond Volume Cap to the Nevada Rural Housing Authority; and other matters related thereto.

Nevada Rural Housing Authority (NRHA) Executive Director Bill Brewer reviewed the background of Storey County’s relationship with NRHA beginning in 2006. Storey County has been very supportive of their program. NRHA has helped over 9,000 families since 2006, and has assisted 95 homebuyers in Storey County. Storey County has transferred approximately \$1.6 million to NRHA over the years. This item is a request for the transfer of the County’s un-used, private activity bond cap - \$221,191. NRHA uses funds from counties and cities to fund single family programs. Transfer of the bond cap does not obligate the County in any way.

Chairman McBride: Are all the funds utilized in an annual year? Do you have any numbers of how many Storey County residents are able to participate in the program?

Mr. Brewer: Typically all are used in a year. Due to programmatic issues, we did not get all of the dollars “out the door”.

Mr. Brewer said he does not have specific numbers, but they have helped 95 (Storey County) homebuyers over the term. They do help a substantial number of homebuyers in the County-far more than the amount of the bond cap transferred to (NHRA) – 9 last year.

Motion: I, Jay Carmona, move to approve Resolution 20-587 providing for the transfer of the County’s 2020 Private Activity Bond Volume Cap to the Nevada Rural Housing Authority, **Action:** Approve, **Moved by:** Vice Chairman Carmona, **Seconded by:** Commissioner Gilman, **Vote:** Motion carried by unanimous vote, (**Summary:** Yes=3)

11. PUBLIC HEARING (No Action): Public Hearing to consider comments on the proposed amendment of the lease to Divide Fitness Inc. whereby the initial term of the lease will be extended from two to three years and there will be an option to extend the lease for an additional two years as allowed by NRS 244.2833

Mr. Loomis explained this is a requirement under statute. An appraisal and a public auction are not required when leasing out less than 25,000 square feet of County property. The subject property is way less than that. A Resolution and a public hearing is required for a proposed amendment.

Public Comment: None

12. DISCUSSION/POSSIBLE ACTION: Consideration and possible approval of amendment to lease of county property at 800 South C Street with Divide Fitness, Inc. extending the term of the lease from two (2) to three (3) years and providing an option to extend the lease for an additional two years.

Mr. Loomis explained this is the item to increase the term of the lease to three years, with an option to extend an additional two years. Per NRS, that is the maximum limit allowed.

Public Comment: None

Motion: I, Jay Carmona, move to approve the amended lease with Divide Fitness, Inc. by extending the original term of the lease to three years and by granting an option to extend the lease another two years and authorize the Chairman to sign, **Action:** Approve, **Moved by:** Vice Chairman Carmona, **Seconded by:** Commissioner Gilman, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

13. DISCUSSION/POSSIBLE ACTION: Consideration and possible approval of the transfer of Community Development funds in the 2019-2020 Storey County budget to accommodate permit refunds approved in Resolution #20-564 in the amount of \$71,586.00.

Chairman McBride said this issue has previously been discussed and the refunds have been approved. This item is to approve the transfer of funds.

Public Comment: None

Motion: I, Jay Carmona, motion to approve the transfer of \$71,586 in the 2019-2020 Storey County budget within Community Development to accommodate the permit refunds lined out in Resolution #20-564, **Action:** Approve, **Moved by:** Vice Chairman Carmona, **Seconded by:** Commissioner Gilman, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

14. DISCUSSION/POSSIBLE ACTION: Consideration and possible action of the annual review and evaluation of the performance of Austin Osborne, County Manager for the time period of July 1, 2019 through June 30, 2020. The board may, without further notice, take administrative action against Austin Osborne, County Manager, if the board determines that such administrative action is warranted after considering the character, alleged misconduct, professional competence, or physical or mental health of Mr. Osborne. At the end of the annual performance evaluation, the board may modify existing goals and objectives of the county manager's job; determine whether or not to provide a merit increase, bonus, or other compensation adjustments; take adverse administrative action up to and including termination; or any other such action deemed warranted by the board.

Jeanne Greene, HR Labor Relations Manager, explained the review process for the County Manager position given year on the Manager's anniversary date.

The Commission members stated they were ready to proceed with the evaluation on this date. Items evaluated and rated are: Leadership, Organizational Management, Financial Management, Human Resources Development, Public Service, Economic Development, Personal Character, Emergency Management, and the ICMA Code of Ethics.

Commission members, Carmona and Gilman, rated Mr. Osborne in each of the above categories. Commissioner Gilman and Vice Chairman Carmona rated Mr. Osborne "excellent" in most categories, "distinguished" in several categories, and that he "conformed" to the ICMA Code of Ethics.

Chairman McBride commented all of the questions asked are what is required of a County Manager. It is an intense, labor intensive job. Mr. Osborne is in communication with his Board continually. The dedication to his job is shown in his performance. Chair McBride said he has no problems with Mr. Osborne's performance - there were a few times he wishes communication was a little better. Information is always provided when asked for. He agrees with Commissioner Gilman, Mr. Osborne does work too many hours. Going forward, hopefully that will change. Mr. Osborne has the best staff and elected officials working with him.

Chair McBride gives Mr. Osborne an "excellent" recommendation.

Ms. Greene said, per the agenda item, the Board can choose to grant a merit increase to Mr. Osborne. He would go from step 4 to step 5. It also allows granting of a bonus or other compensation. Additionally, the goals and objectives of the position can be changed if the Board wishes.

Chair McBride asked the Board members if there were any goals/objectives they would like to see or change.

Vice Chairman Carmona: Does not see anything new to add or any to take away.

Commissioner Gilman: We've come through a time with financial success, holding costs down, and putting the County in a position of financial strength. Now we're in the Covid situation having many stops and starts, and unknowns. Mr. Osborne has directed the County with leadership into this unknown. He has done a "yeoman's" job in preparing for what is to come.

Commission Gilman also said he has given Mr. Osborne high marks, but he is concerned at this time about increasing compensation because of Covid. He would prefer to know where (the County) is going financially.

Chair McBride: The County Manager is the only position evaluated by the Board. Chair McBride asked Ms. Greene - since the County Manager works at "the pleasure of this Board", is he entitled to a step increase as any other County employee, based on years of service?

Ms. Greene: According to County policy, he would be. If an employee is in their position for one year and has satisfactory performance, they move up one step. In this case, it would be step 4 to step 5 - approximately \$4,500.

Chair McBride: This would be the normal step increase for any other County employee. It is not a bonus and it is not going higher more than one step. Per Ms. Greene, if we deem that Mr. Osborne's service this last year is satisfactory, he would automatically go up one step.

Commissioner Gilman: The step is more than warranted. If this is the protocol for the County, he is in favor of the step – the only concern is the timing which we cannot choose. If it's the view of the Board, he will follow the majority.

Chair McBride: The evaluation is "excellent" with a couple of "distinguished" marks, which is more than satisfactory – he would be entitled to a "step increase".

Vice Chair Carmona: Step increases are not being put on hold for other employees deserving a step increase. He supports this and it is deserved. A bonus at this time, would have to be put on hold. He wants to see what the Special Session comes up with.

Public Comment:

Nicole Barde, Storey County resident: Has not heard any suggestions or discussion to help Mr. Osborne with continuous improvement. Doing well this year, with no improvement, is a step backwards. He should be given goals and things to accomplish next year. A couple of ideas:

- Continue to improve communication on social media; continue with his visibility in each of the communities on a quarterly basis, in person (via zoom at this time); look at ways technology can help streamline and save money.
- Look at all use of technology around, and for, the County streamlining operations to save money and reduce overhead. Look at how to combine functions, like Planning and Community Development – providing better services and possibly reduction in overhead.
- Continue working on contracts. Nothing has been heard for awhile about the Tesla Service Contract. Current contracts and future contracts.
- Work on contingency plans – which may include pay freezes.
- Suggests the Commission give Mr. Osborne concrete goals going forward.

Sheriff Antinoro:

- Has been pleasantly surprised with Mr. Osborne's ability. His willingness to listen, provide constructive input, and work towards resolution - even with contract negotiations.
- We don't always agree, but he has done an excellent job working with the (Sheriff's) office and staff in pursuit of the Sheriff's and County's goals and in coordinating efforts to the betterment of the County, and to the benefit of the citizens.

Erik Schoen, Community Chest Director:

- Austin has done an amazing job following the foundation of his successor.
- It has been a seamless transition due to lots of dedication and talent.
- No one else in this position could "live and breathe Storey County" like Austin. He is a champion for the County, and for the non-profits – serving on different Boards.
- Ms. Barde pointed out goals – Austin has goals. If appropriate, perhaps he will share those goals for improving his performance for next year. This would enable us to be in sync and help support accomplishment of those goals.
- Nice work Austin.

Sam Toll, Gold Hill resident:

- Echoes much of what was said. Austin's public outreach with the communities has been exceptional.
- A brief meeting was requested shortly after Austin took this position. He was unable to meet 9 months ago, 6 months ago, 3 months ago – and assume he is unable to meet still today.
- Mr. Toll said he has nearly 2 dozen record requests open with the County. Seven are over a year old. He is reluctant to take the County to court, but it appears the books – which NRS provides are open to the county and Austin, as public information officer, is restricting – in his case – free and legal access to County records. This needs to change quickly. If not, he will be entering into lawsuits to provide what is legally entitled.
- To Austin – congratulations for a year under your belt and looking forward to working with you.

Commissioner Gilman: In response to comments made, not everyone has the access to Austin as the Commissioners. I work with Austin every day – we are in constant contact. To make everyone comfortable, the goals suggested today are well underway. As the County, and Austin, evolve – his planning across the board (for all the suggestions) are all being implemented. In the last 48 hours, he is planning multiple meetings in all the neighborhoods. Specific goals may not have been discussed, but they are talked about daily. I am confident that over the next year, everyone will be delighted with the effort, focus, financial sharing, the growth coming in the County – except for the impact of Covid. Austin is looking at every challenge and request presented today.

Motion: I move to approve Austin's step increase based upon satisfactory/excellent results of his review, Commissioner Gilman added: taking him from a step 4 to a step 5, **Action:** Approve, **Moved by:** Vice Chairman Carmona, **Seconded by:** Commissioner Gilman, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

15. DISCUSSION/FOR POSSIBLE APPROVAL: Consideration and possible approval of Resolution No. 20-583 setting the tax rate levy for 2020-2021.

County Clerk, Vanessa Stephens said this is the annual approval of the County tax rate, the rate used to develop the 20-21 Final Budget. After approval, the tax bills can be sent out to owners. The total rate is 3.4607 – unchanged from the prior year, and years before.

Public Comment: None

Commissioner Gilman commented it's been years since the tax rate has been raised.

Motion: I, Jay Carmona, move to approve Resolution 20-583, setting the tax rate levy for 2020-2021, **Action:** Approve, **Moved by:** Vice Chairman Carmona, **Seconded by:** Commissioner Gilman, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

16. DISCUSSION/FOR POSSIBLE APPROVAL: Consideration and possible approval of Tyler InCode modules to existing contract in the amount of \$80,896 to add modules permitting, licensing, parks and recreation and MobileEyes as part of the remote workforce development due to COVID-19.

Jen Chapman explained that workers have been impacted by the pandemic. The County is supporting and abiding by the directives set by the Governor and the guidelines established by the Federal Government. This has come with challenges. Offices with more technological software are more able to adapt under these circumstances. An overview of software is included in the packet. Ms. Chapman is requesting CARES Act funds to support the software request.

The added modules will help support COVID 19 guidelines with Public Works functions in the pools and parks including setting up reservations.

The Community Development portion is more comprehensive with continuing demand for services in high-risk areas - TRI or other developing areas in the County. Implementing mobile solutions with the existing system, will improve telework options.

(The County) needs to adapt to the changing COVID conditions and how to respond to emergencies and also serve the public. This request will reduce governmental delays and down-time, increasing the ability to tele-commute, and allow operation and better service to the public. This will allow on-line permitting, and licensing. This request meets the requirements of the CARES Act fund.

Commissioner Gilman said it is incumbent on the County to stay current and grow with all of the software and technology that is out there.

Chair McBride: Will this replace any of the Devnet system? Is there be any cost savings?

Ms. Chapman: Much of what Devnet would be able to provide would not be able to be provided within the timeline of the pandemic. What is provided in the quotes, exceeds what we would be getting. Cost savings are not seen. This is not budgeted - it is part of the utilization of the CARES fund.

Assessor Jana Seddon commented she had not been in favor of this system as it will sever the link between Community Development and the Assessor's Office. After a closer look, she agrees this is a good move. Hopefully, there will be a link to help them out in the future. She does not see that Devnet would be able to provide this type of services especially now with the pandemic.

Public Comment: None

Motion: I, Jay Carmona, move to approve the modification of the existing Tyler InCode contract to add modules permitting, licensing, parks and recreation, and MobileEyes as part of the remote workforce development due to Covid 19, **Action:** Approve, **Moved by:** Vice Chairman Carmona, **Seconded by:** Commissioner Gilman, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

17. DISCUSSION/FOR POSSIBLE APPROVAL: Consideration and possible approval of the grant of an easement to TRI GID for the construction of the effluent pipeline from TMWRF to TRI Center along a portion of Canyon Way near Lockwood.

Mr. Loomis explained there was an imminent domain action against a landowner regarding the pipeline. As a result of a settlement, TRI GID is to obtain an easement in a different location. The

requested easement is along a portion of Canyon Way, south of Lockwood. Mr. Loomis reviewed the portion of the settlement agreement pertaining to the easement where Storey County Properties grant the roadway to Storey County. The County, along with Storey County Properties, is granting an easement for the effluent pipeline to be installed along that roadway.

Public Comment: None

Motion: I, Jay Carmona, move to grant an easement for the construction, maintenance, and repair of the effluent pipeline, and authorize the Chairman to sign,

Commissioner Gilman recused himself from vote and discussion on this matter,

Action: Approve, **Moved by:** Vice Chairman Carmona, **Seconded by:** Chairman McBride, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=

18. DISCUSSION/FOR POSSIBLE APPROVAL: Consideration and possible approval of Resolution No. 20-585, a resolution setting grade and salary range of employees fixed by ordinances or resolution per NRS 245.045 for appointed Storey County officials for the 2020-2021 fiscal year and superseding prior year action by resolution for appointed Storey County employees Resolution 20-567 and 19-547 by clarifying language and removing unbudgeted position titles of Assistant County Manager, Assistant Comptroller and adding budgeted position titles of Fire Marshal/Community Development Director, Dispatch Manager, Information Technology Officer, HR Director and HR Generalist. **Continued to July 21, 2020**

19. RECESS TO CONVENE AS THE 474 FIRE PROTECTION DISTRICT BOARD

20. DISCUSSION/FOR POSSIBLE APPROVAL: Consideration and possible approval of Resolution No. 20-586, a resolution setting grade and salary range of employees fixed by ordinance or resolution per NRS 474.470 for appointed Storey Fire Protection District officials.

Jen Chapman: This is an annual request with the addition of intermittent part-time positions and addressing Battalion Chief grades.

Public Comment: None

Motion: I, Jay Carmona, move to approve to approve Resolution No. 20-586, a resolution setting grade and salary range of employees fixed by ordinance or resolution per NRS 474.470 for appointed Storey County Fire District officials, **Action:** Approve, **Moved by:** Vice Chairman Carmona, **Seconded by:** Commissioner Gilman, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

21. RECESS TO RECONVENE AT THE STOREY COUNTY BOARD OF COUNTY COMMISSIONERS

22. DISCUSSION ONLY (No possible action): Discussion of road right-of-way modifications and process for potential modifications, including but not limited to, Italy Drive and East Sydney Drive, within the Tahoe Reno Industrial Center.

Commissioner Gilman recused himself from this item.

Senior Planner, Kathy Canfield explained there are a few roadways in TRI that are not functioning to a level the County would like. This item is to advise what will be coming to the Board in the future and the process. Italy Drive – there was a cul de sac on paper but never constructed. We are working with the developer to extend the cul de sac further down east.

Ms. Canfield explained the current procedure used in building roadways in TRI. It has been determined that the County will relinquish the roadways back to TRI. TRI will then do any improvement work needed, boundary line adjustments or parcel maps needed, to get the correct configurations. TRI will then re-dedicate the new configurations back to the County.

Ms. Canfield reviewed several of the road corrections/work that will be completed by TRI. Additional information will be provided when work actually begins. Italy Drive will be coming up quickly.

23. DISCUSSION/POSSIBLE ACTION: Planning File No. 2019-052. Consideration and Possible Action to approve Resolution 20-584 conditionally accepting the dedication of two parcels of land from Sparks Hotels LLC. The two parcels of land, created for right-of-way purposes, are shown on the map titled “EP Minerals, LLC and Sparks Hotels LLC, merger and re-subdivision of Parcel 2008-38 of ROS 110555 and Parcel 2007-144 of ROS 108433”. These two parcels, identified as Parcel 2019-27 and 2019-28, will be dedicated to Storey County for future use in potential roadway improvements within the USA Parkway right-of-way, located within the Tahoe-Reno Industrial Center, McCarran area of Storey County, Nevada.

Mr. Loomis explained that Sparks Hotels is building a hotel between USA. There are two financing liens left on the property (two parcels) from Greenlake entities. Greenlake has a specific way they want documents recorded. The County will accept the deliverance of property conditioned upon the removal of (Greenlake’s) deeds of trust on those properties. Greenlake will amend the description of properties showing that the lien is not on the two parcels (to be used for potential roadway improvements) that are being conveyed. The two parcels will ultimately be conveyed to NDOT.

Public Comment: None

Motion: In accordance with the recommendation by staff, I, Jay Carmona, move to approve Resolution 20-584 accepting the proposed dedication of two parcels of land to Storey County, created for right of way purposes as shown on the map titled “EP Minerals, LLC and Sparks Hotels LLC, merger and resubdivision of Parcel 208-38 of ROS 110555 and Parcek 2007-144 of ROS 108433” , identified as Parcek 2019-27 and 2019-28 conditioned upon Greenlake Real Estate Fund LLC and Greenlake Real Estate Finance LLC removing their liens upon the two parcels being dedicated,
Action: Approve, **Moved by:** Vice Chairman Carmona, **Seconded by:** Commissioner Gilman,
Vote: Motion carried by unanimous vote, (**Summary:** Yes=3)

24. DISCUSSION/POSSIBLE ACTION: Approval of business license second readings:

- A. Elite Hardscapes LLC – Contractor / 35 Eagle Claw Ct. ~ Reno, NV
- B. LA Rebuilds – Home Business / 4680 Hanaupah Rd ~ Reno, NV
- C. Reno Heating & Air Inc. – Contractor / 899 Marietta Way ~ Sparks, NV
- D. Silver State Heating and Air – Contractor / 80 Coney Island Dr. ~ Sparks, NV

E. United Technology Services Group Inc – Home Business / 355 Mill St. ~ Virginia City, NV

On behalf of Community Development, Mr. Osborne recommended approval of Items A. through E.

Public Comment: None

Motion: I move to approve Items A. through E., **Action:** Approve, **Moved by:** Vice Chairman Carmona, **Seconded by:** Commissioner Gilman, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

25. PUBLIC COMMENT (No Action) None

Chairman McBride commented the tax levy has been at the current rate since the 2008-2009 tax year, when the rate was decreased by .049. 12 years is a good record. The lowest rate was in 2003-04 at 3.3797. Current rate is 3.4607. A very small increase from the low rate of 03-04 to where it is today.

Meeting date: August 4, 2020

Estimate of time required: 0-5 mins

Agenda: Consent ☒ Regular agenda ☐ Public hearing required ☐

1. **Title:** For Possible Action – Approval – Assessor's Recommended Corrections to 2020-21 Secured Tax Roll for Exemptions

2. **Recommended motion:** Approval

3. **Prepared by:** Tobi Whitten

Department: Assessor's Office

Telephone: 847-0961

4. **Staff summary:** NRS 361 provides for property tax exemptions to individuals who meet certain criteria. Exemption applications and renewals are typically due to our office on or before June 15th of each fiscal year, but circumstances beyond a taxpayer's control may cause a delay and, as a result, an exemption not being applied to the tax bill. In cases where the Assessor's Office feels that the taxpayer could not have reasonably filed their exemption application or renewal by the deadline, or if there is an unforeseeable error causing the exemption to not be applied correctly, the tax bill may be amended by the Clerk-Treasurer at the direction of the Board and a new tax bill or a refund be mailed to the affected taxpayer.

5. **Supporting materials:** Please see attached letter with adjusted assessed values.

6. **Fiscal impact:** Unknown

Memo to: Storey County Commissioners

Re: Correction for Exemptions

The owners of the property listed below should have had a personal exemption applied to their property for the **2020-21 tax year**. For various reason beyond control, the exemptions were not applied to the tax bill. The adjusted net assessed values and the **net assessed value overrides** should be:

<u>APN</u>	<u>2020-21 Net Assessed</u>	<u>Billed Exemption Amount</u>	<u>Corrected Exemption Amount</u>	<u>Adjusted Net Assessed</u>	<u>PYGAV Override</u>	<u>Tax Cap %</u>	<u>"New" Assessed Value</u>	<u>Net Assessed Value Override</u>
3-522-30	50,676		21,600	29,076	27,052	3.0%		27,864
3-274-05	26,641		2,880	23,761	21,889	3.0%		23,761

Please approve this correction, and advise the Treasurer to make the changes and send a new tax bill or refund as necessary.

Thank You,

Tobi Whitten
Deputy Assessor

**STOREY COUNTY ADMINISTRATIVE
POLICIES AND PROCEDURES**

NUMBER 302
EFFECTIVE DATE: 08-19/08
REVISED: 01-20-09/ 08-04-15
12-04-18/ 08-04-20
AUTHORITY: BOC
COUNTY MANAGER: AO

SUBJECT: Source of Candidates; Open Recruitment; Promotion; Transfer and Eligible List to Vacant Positions

1. PURPOSE

It is recognized that the role of the department is critical in the hiring process and that utilizing the subject matter expertise of those in the hiring department will help ensure the selection of the most appropriately qualified candidate for each position. Therefore, the county will involve department management in the recruitment, examination, and selection process.

2. POLICY

2.1 Filling Positions

Regular positions may be filled by applicants selected from an existing eligible applicant pool. If no eligible applicant pool has been established or the pool contains no qualified applicants, the employer may initiate a recruitment (promotional from within or open to outside the organization) to create or renew an eligible applicant pool. Applications from present employees may be considered for open positions before non-employee applicants are considered. For open recruitments, the position vacancy announcement will be posted internally and externally.

The general policy of the county is to fill vacant or new positions from within the organization when possible, depending upon qualifications and interest of existing regular full-time, part-time, and casual employees. Employees are encouraged to apply for any vacancy for which they may qualify.

Promotional recruitments limit consideration of applicants to qualified employees currently working within a single department of the employer (departmental/promotions) or to qualified employees currently working within the employer (employer-wide/promotional). These internal recruitments are limited to employees in regular part-time and regular full-time status. Preference may be given to post-probationary employees with 12 or more months of service to the employer.

When deciding what type of recruitment to initiate, the employer will consider such factors as the impact of the decision on the employer's efforts to have a workforce which is representative of:

- a. The local population;
- b. The qualifications and level of responsibility required by the position;
- c. The extent to which the knowledge and skills required for the position can readily be acquired on the job;
- d. The qualifications of employees potentially available for placement on a promotional list;
- e. The effects on retention of present employees; and
- f. The likelihood of attracting well-qualified outside applicants.

After the employer has determined how it will announce the vacancy, it will develop a recruitment plan by determining the applicant pool it wishes to target and in what geographic region it will advertise; determining what types of media (e.g., internet, newspapers, trade journals) will be used to advertise and ensuring outreach efforts reach diverse applicant groups.

2.2 Eligible Applicant Pool

- a. The employer may maintain eligible applicant pools consisting of the names of applicants eligible for hire based on the recruitment process. While generally used to fill a single position, eligible applicant pools may be used to fill additional positions which occur within 6 months of the establishment of the pool. Eligible applicant pools for law enforcement and fire protection positions may be maintained for up to 12 months when published as such.
- b. Any person on an appropriate reinstatement list shall be considered for employment in accordance with the employer's established layoff policy.
- c. An applicant will be removed from the eligible applicant pool if the applicant submits a written request to be removed, or if the applicant fails to respond within an allotted time period to instructions regarding participation in an examination or selection interview. An eligible applicant who refuses an offer of employment will be removed from the eligible applicant pool unless the specific circumstances of the refusal warrant otherwise as determined by the employer.

2.3 Transfers

- a. An internal transfer is a lateral change of an employee from one position to another position in the same class or to a different class in the same salary range.
- b. Internal transfers and promotions do not change the employee's date of hire. However, the anniversary date for future performance evaluations and merit salary increase considerations shall become the date of promotion.

2.4 Scope

It is recognized that the role of the department is critical in the hiring process and that utilizing the subject matter expertise of those in the hiring department will help ensure the selection of the most appropriately qualified candidate for each position. Therefore, the employer will involve department management in the recruitment, examination, and selection process.

2.5 Source of Applicant

Regular positions may be filled by applicants selected from existing eligible lists. If no eligible list exists, the employer may initiate a recruitment (open or promotional) to create an eligible list. Applications from present employees may be considered for open positions before non-employee applicants are considered. For open recruitments, the position vacancy announcement will be posted internally and externally.

Promotional recruitments limit consideration of applicants to qualified employees currently working within a single department of the employer (departmental/promotions) or to qualified employees currently working within the employer (employer-wide/promotional).

When deciding what type of recruitment to initiate, the employer will consider such factors as the impact of the decision on the employer's efforts to have a workforce which is representative of:

- a. The local population;
- b. The qualifications and level of responsibility required by the position;
- c. The extent to which the knowledge and skills required for the position can readily be acquired on the job;
- d. The qualifications of employees potentially available for placement on a promotional list;
- e. The effects on retention of present employees; and
- f. The likelihood of attracting well-qualified outside applicants.

After the employer has determined how it will announce the vacancy, it will develop a recruitment plan by determining the applicant pool they wish to target and in what geographic region they will advertise; determining what types of media (e.g., internet, newspapers, trade journals) will be used to advertise and ensuring outreach efforts reach diverse applicant groups.

2.6 Emergency Appointment

In case of an emergency, as approved by the HR Director, an appointment may be made without regard to the provisions of Storey County HR policies relative to job announcements, postings, and appointment. Emergency appointments shall not continue longer than 60 working days in any 12-month period.

RESPONSIBILITY FOR REVIEW: The County Personnel Director and/or Administrative Officer will review this policy every 5 years or sooner as necessary.

1. **Title:** Discussion/Possible Action: Consideration and possible approval of Storey County to grant up to \$200,000 of its CARES-Act funds to small businesses located in Storey County and adversely impacted by COVID-19, with an additional five percent (roughly \$10,000) of this amount being dedicated to administration costs including assistance from the Nevada Association of Counties (NACO) and/or its affiliate(s), a total combined amount being up to \$210,000.
2. **Recommended motion:** I [commissioner] motion to approve Storey County to grant up to \$200,000 of its CARES-Act funds to small businesses located in Storey County and adversely impacted by COVID-19, with an additional five percent (roughly \$10,000) of this amount being dedicated to administration costs including assistance from the Nevada Association of Counties (NACO) and/or its affiliate(s), a total combined amount being up to \$210,000.
3. **Prepared by:** Austin Osborne

Department: County Manager

Telephone: 775.847.0968

4. **Staff summary:** Storey County was awarded approximately \$753,000 to cover costs incurred by the COVID-19 epidemic. CARES-Act fund recipients may dedicate a portion of monies to assist small businesses impacted by the pandemic. Storey County is preparing to grant up to \$200,000 of these funds directly to eligible COVID-impacted small busines. County staff, with assistance of the Nevada Association of Counties (NACO) and its subcontractors or affiliates, will develop eligibility criteria, programs, and a plan to disperse the funds in accordance with CARES-Act requirements. Other COVID-related expenditures have thus far included masks, gowns, guards, and other personal protective equipment; remote work stations; public safety barriers; fire, law enforcement, and other public safety response equipment; public and staff wash stations, hand-sanitizer, and dispensers; building cleansing and decontamination; contract custodial services; emergency management equipment; public media and education outreach; and other means to protect employees and the public.

Cherie Nevin
Storey County, Nevada
P.O. Box 176
Virginia City, NV 89440

**Storey County, Nevada
Water Revenue Bonds
Series 2018
(USDA)**

Dear Cherie:

Thank you for contacting us with respect to acting as bond counsel on the above-referenced issue. This letter will operate as the form of agreement between Storey County, Nevada (the "County") and our firm and sets forth the role we propose to serve and the responsibilities we propose to assume as bond counsel with respect to the Bonds.

Scope of Services as Bond Counsel. Bond counsel is engaged as a recognized expert whose primary responsibility is to render an objective legal opinion with respect to the authorization and issuance of the Bonds. As bond counsel to the County, we will prepare or examine all legal proceedings needed preliminary to and in the issuance of the Bonds relating to the validity and enforceability thereof (the sale and final issuance of the Bonds and appropriate closing certificates). All proceedings that we prepare will be prepared in collaboration with you, the County's attorney, financial consultant and other authorized representatives of the County. Our services as bond counsel also include an examination of an executed transcript of proceedings and such additional duties as we deem necessary to render our final approving opinion relating to the Bonds and the exclusion of the interest paid on the Bonds (subject to certain limitations which may be expressed in the opinion) from gross income for federal income tax purposes. Our opinion will be addressed to the County and will be executed and delivered by us in written form on the date the Bonds are exchanged for their purchase price (the "Closing"). The opinion will be based on facts and law existing as of its date.

In rendering our opinion, we will rely upon the certified proceedings and other certifications of public officials and other persons furnished to us without undertaking to verify the same by independent investigation. Our opinion will be addressed to the County and will be executed and delivered by us in written form on the closing date. The opinion will be based on facts and law existing as of their date.

SHERMAN & HOWARD

March 16, 2018

Page 2

Our services as bond counsel are limited to those contracted for explicitly herein; the County's execution of this letter constitutes an acknowledgment of those limitations. Specifically, but without implied limitation, our responsibilities do not include any representation by Sherman & Howard L.L.C. in connection with any IRS audit or any litigation involving the County or the Bonds. Nor do our services include financial advice (including advice about the structure of the Bonds, that being the role of the financial consultant). If such services are requested of us, we suggest that we discuss the nature and extent of those services and an estimate of our fee at the time of the request.

Attorney-Client Relationship. In performing our services as bond counsel, the County will be our client and an attorney-client relationship will exist between us. We will represent the interests of the County rather than its Board of Commissioners, its individual members, or the County's employees. We assume that other parties to the transaction will retain such counsel as they deem necessary and appropriate to represent their interests in this transaction.

Conflicts of Interest. Our firm sometimes represents, in other unrelated transactions, certain of the financial institutions that may be involved in this Bond transaction, such as underwriters, credit enhancers, and banks that act as paying agents or trustees. We do not believe that any of these representations will materially limit or adversely affect our ability to represent the County in connection with the Bonds, even though such representations may be characterized as adverse under the Rules. In any event, during the term of our engagement hereunder, we will not accept a representation of any of these parties in any matter in which the County is an adverse party. However, pursuant to the Rules, we do ask that you consent to our representation of such parties in transactions that do not directly or indirectly involve the County. Your execution of this letter will signify the County's prospective consent to such adverse representations in matters unrelated to the Bonds while we are serving as bond counsel hereunder.

Proposed Fees. Our basic fee for performing services as bond counsel on a particular issue of bonds depends on the type and size of the bond issue. For example, for an interfund loan and a single Bond our fee would be approximately in the range of \$20,000 to \$30,000. The amount of our fee within this range would be determined after the Bonds are issued and would be based on the amount of time, effort, etc. attorneys at this firm expend in performing services in connection with the Bonds.

If the Bonds are issued with unusual features (e.g., as floating interest rate bonds or "put" bonds) or with unusual security (e.g., a letter of credit), our fee will be greater than that quoted above if additional work is required of us.

In the event the transaction is delayed and the Bonds are not delivered at Closing on or before December 31, 2018, it may be necessary for us to repeat and update much of our work and a commensurate increase in our fees will result. Any such revision of our fee as bond

SHERMAN & HOWARD

counsel would, however, be made only after obtaining your approval by a written amendment to this engagement letter.

In addition, this letter authorizes us to make disbursements on your behalf, which we estimate will not exceed \$500. The County agrees to reimburse us for such disbursements, including travel costs, photocopying, deliveries, filing fees, computer assisted research, and other necessary office expenses.

Our fees and expenses are usually paid at Closing out of Bond proceeds. We customarily do not submit any statement until the Closing, unless there is a substantial delay in completing the financing. If, for any reason, the financing is not consummated or is completed without the rendition of our opinion as bond counsel, we will expect to be compensated at our normal hourly rates (currently ranging from \$345 to \$680 depending on personnel) for time actually spent on your behalf, plus disbursements. Our fee is not contingent.

Document Retention. At or within a reasonable period after the Closing, we will review the file to determine what materials should be retained as a record of our representation and those which are no longer needed. We will provide you with a copy of the customary transcript of documents after Closing and will return any original documents obtained from you (if a copy is not included in the transcript). We will retain for several years a copy of the transcript and such other materials as correspondence, final substantive work product, documents obtained from you, and documents obtained from third parties. We will not retain such materials as duplicates of the above-described material or drafts that do not appear needed any longer.

Ordinarily the firm will keep the retained materials until seven years after the final maturity of the Bond. At the end of that time, unless you advise us in writing to the contrary, we will destroy the bulk of the file. If the file is especially voluminous, we may destroy all or portions of it earlier, as our storage facilities are limited. If you prefer other arrangements for retention or disposition of our files in this matter, please advise us in writing.

Personnel. Kendra Follett and Ryan Henry, who are licensed Nevada lawyers and residents of our Nevada offices, will be the principal lawyers involved in performing legal services for you pursuant to this letter, and they will report to and take direction from you. Where appropriate, certain tasks may be performed by other attorneys or paralegals. They may be assisted in performing these legal services by lawyers in our non-Nevada offices who are not licensed to practice law in Nevada. Generally, these lawyers assist us in matters of federal tax law and federal securities law. We sometimes consult with these lawyers in attempting to resolve questions of municipal law and municipal finance law, and sometimes these lawyers also assist us in legal research and document drafting.

Electronic Communications. Although the County and our firm recognize e-mail may not always be a secure method of communication, and could be intercepted and read

by persons who are not the intended recipients, the County and the firm agree to the use of unencrypted email for communications made during the course of this engagement, including communications containing confidential information or advice. The County may, however, at any time request us to use a specified more secured or different method of communication for confidential information or advice, including communications about a particular subject, and we will take reasonable measures to implement the request from the County.

Termination of Engagement. Upon delivery of our approving opinion, our responsibilities as bond counsel will terminate with respect to the Bonds. At that time, our representation of the County and the attorney-client relationship created by this engagement letter will be concluded. Should the County seek the advice of bond counsel on a post-closing matter or seek other, additional legal services, we would be happy to discuss the nature and extent of our separate engagement at that time.

Approval. If the foregoing terms of this engagement are acceptable to you, please so indicate by returning the enclosed original of this letter signed by the officer so authorized, retaining the enclosed copy for your files.

We sometimes do not receive signed engagement letters back from clients for various reasons, but the client still wishes for us to serve as their counsel. Accordingly, so that we may begin work on this matter soon per your instructions, if you do not return a signed letter to us or inform us of any comments or objections to this letter, we will consider this letter and the referenced fee arrangement to govern our relationship unless you and we agree otherwise in writing.

Staff Summary:

Storey County has been awarded a grant from the Nevada Division of Emergency Management & Homeland Security. The grant is the Emergency Management Performance Grant program supplemental in response to the COVID-19 pandemic.

The application had to specifically address issues the county faces during this pandemic. We submitted the grant for 5 complete remote work computer stations. This will allow staff to work remotely, abiding by social distancing requirements and maintaining continuity of operations.

The project total is \$20,003.65. This is a matching grant with \$10,001.83 of the grant award and a match of \$10,001.83. The required match will be covered by the Nevada Division of Emergency Management. There will be no cost to Storey County. The grant specifically requires the Board of County Commissioners to authorize signing by the Storey County Manger.

**Storey County, Nevada
Sewer Revenue Bond
(Gold Hill Package Treatment Plant)**

Dear Cherie:

Thank you for contacting us with respect to acting as bond counsel on the above-referenced issue. This letter will operate as the form of agreement between Storey County, Nevada (the "County") and our firm and sets forth the role we propose to serve and the responsibilities we propose to assume as bond counsel with respect to the Bond.

Scope of Services as Bond Counsel. Bond counsel is engaged as a recognized expert whose primary responsibility is to render an objective legal opinion with respect to the authorization and issuance of the Bond. As bond counsel to the County, we will prepare or examine all legal proceedings needed preliminary to and in the issuance of the Bond relating to the validity and enforceability thereof (the sale and final issuance of the Bond and appropriate closing certificates). All proceedings that we prepare will be prepared in collaboration with you, the County's attorney, financial consultant and other authorized representatives of the County. Our services as bond counsel also include an examination of an executed transcript of proceedings and such additional duties as we deem necessary to render our final approving opinion relating to the Bond and the exclusion of the interest paid on the Bond (subject to certain limitations which may be expressed in the opinion) from gross income for federal income tax purposes. Our opinion will be addressed to the County and will be executed and delivered by us in written form on the date the Bond are exchanged for their purchase price (the "Closing"). The opinion will be based on facts and law existing as of its date.

In rendering our opinion, we will rely upon the certified proceedings and other certifications of public officials and other persons furnished to us without undertaking to verify the same by independent investigation. Our opinion will be addressed to the County and will be executed and delivered by us in written form on the closing date. The opinion will be based on facts and law existing as of their date.

SHERMAN & HOWARD

May 31, 2019

Page 2

Our services as bond counsel are limited to those contracted for explicitly herein; the County's execution of this letter constitutes an acknowledgment of those limitations. Specifically, but without implied limitation, our responsibilities do not include any representation by Sherman & Howard L.L.C. in connection with any IRS audit or any litigation involving the County or the Bond. Nor do our services include financial advice (including advice about the structure of the Bond, that being the role of the financial consultant). If such services are requested of us, we suggest that we discuss the nature and extent of those services and an estimate of our fee at the time of the request.

Attorney-Client Relationship. In performing our services as bond counsel, the County will be our client and an attorney-client relationship will exist between us. We will represent the interests of the County rather than its Board of Commissioners, its individual members, or the County's employees. We assume that other parties to the transaction will retain such counsel as they deem necessary and appropriate to represent their interests in this transaction.

Conflicts of Interest. Our firm sometimes represents, in other unrelated transactions, certain of the financial institutions that may be involved in this Bond transaction, such as underwriters, credit enhancers, and banks that act as paying agents or trustees. We do not believe that any of these representations will materially limit or adversely affect our ability to represent the County in connection with the Bond, even though such representations may be characterized as adverse under the Rules. In any event, during the term of our engagement hereunder, we will not accept a representation of any of these parties in any matter in which the County is an adverse party. However, pursuant to the Rules, we do ask that you consent to our representation of such parties in transactions that do not directly or indirectly involve the County. Your execution of this letter will signify the County's prospective consent to such adverse representations in matters unrelated to the Bond while we are serving as bond counsel hereunder.

Proposed Fees. Our basic fee for performing services as bond counsel on a particular issue of Bond depends on the type and size of the bond issue. For example, for an interfund loan and a single Bond our fee would be approximately in the range of \$20,000 to \$30,000. The amount of our fee within this range would be determined after the Bond are issued and would be based on the amount of time, effort, etc. attorneys at this firm expend in performing services in connection with the Bond.

If the Bond are issued with unusual features (e.g., as floating interest rate Bond or "put" Bond) or with unusual security (e.g., a letter of credit), our fee will be greater than that quoted above if additional work is required of us.

In the event the transaction is delayed and the Bond are not delivered at Closing on or before December 31, 2019, it may be necessary for us to repeat and update much of our work and a commensurate increase in our fees will result. Any such revision of our fee as bond

counsel would, however, be made only after obtaining your approval by a written amendment to this engagement letter.

In addition, this letter authorizes us to make disbursements on your behalf, which we estimate will not exceed \$500. The County agrees to reimburse us for such disbursements, including travel costs, photocopying, deliveries, filing fees, computer assisted research, and other necessary office expenses.

Our fees and expenses are usually paid at Closing out of Bond proceeds. We customarily do not submit any statement until the Closing, unless there is a substantial delay in completing the financing. If, for any reason, the financing is not consummated or is completed without the rendition of our opinion as bond counsel, we will expect to be compensated at our normal hourly rates (currently ranging from \$345 to \$680 depending on personnel) for time actually spent on your behalf, plus disbursements. Our fee is not contingent.

Document Retention. At or within a reasonable period after the Closing, we will review the file to determine what materials should be retained as a record of our representation and those which are no longer needed. We will provide you with a copy of the customary transcript of documents after Closing and will return any original documents obtained from you (if a copy is not included in the transcript). We will retain for several years a copy of the transcript and such other materials as correspondence, final substantive work product, documents obtained from you, and documents obtained from third parties. We will not retain such materials as duplicates of the above-described material or drafts that do not appear needed any longer.

Ordinarily the firm will keep the retained materials until seven years after the final maturity of the Bond. At the end of that time, unless you advise us in writing to the contrary, we will destroy the bulk of the file. If the file is especially voluminous, we may destroy all or portions of it earlier, as our storage facilities are limited. If you prefer other arrangements for retention or disposition of our files in this matter, please advise us in writing.

Personnel. Kendra Follett, who is a licensed Nevada lawyer and a resident of our Nevada offices, will be the principal lawyer involved in performing legal services for you pursuant to this letter, and she will report to and take direction from you. Where appropriate, certain tasks may be performed by other attorneys or paralegals. They may be assisted in performing these legal services by lawyers in our non-Nevada offices who are not licensed to practice law in Nevada. Generally, these lawyers assist us in matters of federal tax law and federal securities law. We sometimes consult with these lawyers in attempting to resolve questions of municipal law and municipal finance law, and sometimes these lawyers also assist us in legal research and document drafting.

Electronic Communications. Although the County and our firm recognize e-mail may not always be a secure method of communication, and could be intercepted and read by persons who are not the intended recipients, the County and the firm agree to the use of unencrypted email for communications made during the course of this engagement, including communications containing confidential information or advice. The County may, however, at any time request us to use a specified more secured or different method of communication for confidential information or advice, including communications about a particular subject, and we will take reasonable measures to implement the request from the County.

Termination of Engagement. Upon delivery of our approving opinion, our responsibilities as bond counsel will terminate with respect to the Bond. At that time, our representation of the County and the attorney-client relationship created by this engagement letter will be concluded. Should the County seek the advice of bond counsel on a post-closing matter or seek other, additional legal services, we would be happy to discuss the nature and extent of our separate engagement at that time.

Approval. If the foregoing terms of this engagement are acceptable to you, please so indicate by returning the enclosed original of this letter signed by the officer so authorized, retaining the enclosed copy for your files.

We sometimes do not receive signed engagement letters back from clients for various reasons, but the client still wishes for us to serve as their counsel. Accordingly, so that we may begin work on this matter soon per your instructions, if you do not return a signed letter to us or inform us of any comments or objections to this letter, we will consider this letter and the referenced fee arrangement to govern our relationship unless you and we agree otherwise in writing.

Agenda Item No.

Divide Building Justice Court Tenant Improvement

Staff report July 23, 2020.

Bids were received until 14:00 on Wednesday, July 22, 2020. Seven general contractors submitted responsive bids.

The lowest base bid was from Shaheen-Beauchamp Builders.

The structure of the bid was such that we could have some cost control over various options (alternates). The alternates are ordered in descending importance. Award may be made based on base bid and any combination of alternates.

The bids were fairly tight and showing good numbers. There were some flyers as always i.e. the SBB bid for the snowguards on the roof. This is something that can be done later and not a critical part for occupancy.

If we take the base bids and add all the alternates except #6 (snowguards), SBB is still the low bidder at a total of \$733,738.00. This would include Alt 1 (ballistic material), Alt 2 (deleted), Alt 3 (the casework and plumbing for the break room), Alt 4 (floor finishes and carpet), Alt 5 (communications and data wiring runs).

The next two lowest bids (with the same alternates) were from K7 Construction at \$742,832.00 and from Group West Construction at \$759,690.00.

Also bear in mind that there are some costs not shown here. One is for the courtroom furnishings. We have the quote from Silver State on the full package of furniture but only a portion of that was selected by the Justice Court for order. I will be confirming that order list and verifying the price prior to ordering it. We will be negotiating with the contractor for the installation of the owner-supplied furniture. We have a deduction in the bid already for the metal studs (type and quantity) that will offset this cost by approximately \$12,000.

Staff recommendation is to award the contract to Shaheen-Beauchamp Builders.
