Mr. Margolin,

I responded earlier to your public records request for Jeep Posse records. Regarding your second question about Blockchains, I am not aware of any roads, building permits, or special use permits active at this time. The company does occupy a building in TRI-Center as their offices. I am not aware of the company's internal workings. There is a non-disclosure agreement that applies to certain matters as well.

Thank you,

Austin

Hello, Austin.

A. Blockchains

Has Blockchains LLC started doing anything with their property in Storey County?

Have they started building any infrastructure like roads?

Have they applied for any building permits or Special Use Permits?

Have they submitted any plans?

Have they had any discussions (formal or informal) with the County?

When Mr. Berns bought the Kirkwood Bank of Nevada last June did he use Opportunity Fund money to buy it? Is he going to build a branch of the Kirkwood Bank of Nevada in Storey County? Maybe an ATM? See www.blockchainshoa.org for more details.

B. I would like a copy of the old lease with the Jeep Posse, the one that was "corrected" by the new lease approved by the County Commissioners at the 9/3/2019 meeting. Vanessa says she doesn't have it. At the 9/3/2019 meeting Commissioner Gilman and Commissioner McBride specifically referred to the old lease saying there is an existing lease. Maybe they have a copy of it.

Regards,

Jed
