Dear Commissioners:

I submit this letter to request your consideration for the appointment as the Interim Clerk-Treasurer of Storey County.

As this Board is aware, my professional achievements and community activity prepare me to quickly learn and perform the duties of the office of Clerk-Treasurer. Additionally, I have publicly demonstrated the skills and personal conduct required to successfully lead the office and its staff.

It has been my privilege to have had your prior appointments to serve Storey County as a Planning Commissioner for the past eight years, and to be chosen as Chair the last three. As you know, I take that role seriously and have dedicated myself to making educated, fact-based and judicious decisions that preserve the rights of those that come before the Board while also benefiting the citizens of the County. My time on the Planning Commission has exposed me to many of the issues challenging the County. This experience, coupled with my leadership and management skills and business experience, uniquely prepare me to step into the role of Clerk-Treasurer.

As I have presented previously to this Board: I worked hard to have a successful business career. I have managed complex multimillion-dollar contracts with major Fortune 100 industrial companies on both a domestic and international basis. I have also known the trials and joys of entrepreneurship and creating successful businesses from scratch. I am expert in building cooperative relationships to constructively solve problems and address new opportunities. I have led organizational transitions and operational evolution.

Consistently in all my assignments and endeavors I have been valued for my disciplined and reasoned approach to planning, team building, problem solving, and for decisive action in challenging circumstances and complex interpersonal and technical environments.

I have familiarized myself with the responsibilities of the Office of Clerk-Treasurer as defined by NRS 246 and 249, and I know I can quickly acquire the knowledge required to perform and lead office operation. Most importantly, I recognize and understand the scope and impact of the Office on County operations and the responsibility the Office has to serve the County's residents and businesses.

If you should appoint me Interim County Clerk-Treasurer, I pledge to be a thoughtful leader and manager so that the professionalism and integrity of the Office is maintained and the unique quality of life we enjoy here on the Comstock and across the county, is protected.

I thank you for your time and consideration, and plan to be available to address any questions you may have regarding my interest and qualifications.

Respectfully,

Jim Hindle
