Agenda Item Type: Discussion/Possible Action

- **Title:** Consideration and possible approval authorizing the County Manager with concurrence of the Emergency Management Director to cancel anytime before April 4, 2023, the declaration of emergency declared by the Board of Storey County Commissioners on March 10 and March 21, 2023.
- **Recommended motion:** I (commissioner) motion to authorize the County Manager with concurrence of the Emergency Management Director to cancel at anytime before April 4, 2023, the declaration of emergency declared by the Board of Storey County Commissioners on March 10 and March 21, 2023.
- **Prepared by:** Austin Osborne

Department:

Contact Number: 775.847.0968

- **Staff Summary:** The declaration of emergency was made due to unforeseen severe weather events causing sudden flooding, avalanche, and mudslide due to snow runoff caused by atmospheric river flows across the county starting March 9, 2023, and the end date extending from March 21 to April 4, 2023. The emergency declaration may provide the county access to state and federal funds and other resources which otherwise may not be available for its response to the weather emergency. This action should not cause alarm, but it should remind residents and businesses to be vigilant and to prepare for potential impacts caused by storm events.
